

XIII. SMART

1. What is the SMART facility?

SMART stands for **SMS Alerts Related to Transactions** in which investors registered for SMART will receive alerts for all types of debits, subject to a maximum of four debits in a day, and for credits due to IPOs allotments and corporate actions.

2. How do I get details of more than four debits to my account?

You have to contact your DP for the details.

3. How do I avail of this facility for my account?

You will have to approach your DP and submit the SMART registration form duly completed. This can also be downloaded from CDSL's website www.cdslindia.com.

4. When will I receive a SMART alert?

Presently the alerts are sent twice a day, around 8 AM and around 7 PM.
