

## **CDSL's NISM – SERIES – VI Tutorial links on 'You tube'**

SEBI has mandated that DP officials, including branch officials, should be NISM Series VI – Depository Operations Certification Examination (DOCE) certified. The examination seeks to create a common minimum knowledge benchmark for associated persons engaged or employed by a registered depository participant in (a) dealing or interacting with clients, (b) dealing with securities of clients, (c) handling redressal of investor grievances, (d) internal control or risk management, (e) activities having a bearing on operational risk, or (f) maintenance of books and records pertaining to the above activities.

With a view to facilitate DP officials for DOCE, CDSL has prepared an audio visual tutorial. The tutorial consists of 12 chapters which have been uploaded on youtube and are available on the following links:
