SBI has commenced Depository services at its Ludhiana branch and will shortly commence Depository services from its Mumbai, Indore, Kanpur and Guwahati branches.
- ◆ Shri Vijay V Raut has been appointed as the Executive Director of CDS with effect from October 1, 2000. Shri Raut brings to the office a wealth of banking and capital market related experience, and an astute approach, which has stood him in good stead during a long and successful career.
- ◆ In January 2000, Shri Raut was sent on deputation by the BSE to CDS as Chief Executive. Renowned for his personnel management skills, an aptitude to create win-win situations and elicit unstinted cooperation from business partners, his tenure has seen a tremendous increase in CDS's business in terms of securities admitted for demat, Depository Participant registrations and settlement of securities.
- ◆ Central Depository Services (India) Limited (CDS) has launched a pilot Interactive Information Kiosk project on October 6, 2000. The inauguration, at CDS's premises at P.J. Towers, Dalal Street, Mumbai was performed by Smt. Kanak Nanavati, who holds the distinction of being the first investor to open a depository (Beneficial Owner) account with CDS.
- ◆ Using touchscreen and smart card technology, the kiosk provides information on balances, completed settlement-related and demat-related transactions and the status of ongoing transactions. The Kiosk represents a new frontier in the depository environment, and heralds an age where investors can access upto-the-moment information about their depository accounts.
- ◆ SEBI has directed vide their circular no. SMRDP/POLICY/CIR49/2000 dated October 16, 2000, that there will be a time gap of three months between the date of establishing connectivity by the companies with both the depositories and the date of commencement of compulsory dematerialised trading.
- ◆ The date announced for compulsory dematerialised trading for the scrips as per the above circular henceforth would be treated as the date by which the company should establish connectivity with both the depositories. The compulsory dematerialised trading in these companies will commence after three months from that date.
- ◆ The companies which fail to establish connectivity with both the depositories on the scheduled date would be traded on the 'trade to trade' settlement window of the exchanges from the following settlement period.
