## What's New?

### Introduction of "Account Freezing" Facility for CDSL demat accounts

CDSL has introduced an "Account Freezing" facility for demat account holders, which allows a demat account holder to freeze the securities held in a demat account. i.e. debit/credit transactions cannot be executed in the account.

Some of the salient features of account freezing facility are as follows:

- A demat account holder can utilize the freezing facility as a safekeeping measure, as it temporarily "immobilizes" the demat account.
- The freezing facility gives an option to the account holder to either freeze all the ISINs held in a demat account or to freeze only specific ISINs or to freeze specified number of securities in an ISIN.
- A demat account holder can use the freezing facility for blocking:
  - Only debits i.e. Only credit of securities is allowed.
  - Only credits i.e. Only debit of securities is allowed.
  - Both debits as well as credits in the account.
- The duration of the freeze can also be specified by a investor as:
  - Temporary i.e. for a specified period by specifying "Expiry" date.
  - Permanent i.e. freeze expiry date is not specified.
  - Activated immediately or at a future date, by specifying the activation Date.

### CDSL enters into a tie-up with MCX

CDSL has tied up with "Multi Commodity Exchange of India Ltd" (MCX), for providing the facility of maintaining warehouse receipts in dematerialized form. MCX is a state-of-the-art digital exchange and facilitates online trading, clearing and settlement operations for commodities futures trading. The key shareholders of MCX are Financial Technologies (India) Ltd, State Bank of India, Union Bank of India, Bank of India, Corporation Bank & Canara Bank. CDSL and MCX are in the process of putting the operational procedures in place after which investors would be able to maintain warehouse receipts in dematerialized form with CDSL, for trades on MCX.

### New Corporate Action Facility

In order to enable BOs to identify that a particular debit/credit in their demat accounts is due to a corporate action, CDSL has introduced a new facility wherein the transaction description characters 'CA' will be prefixed to the actual description mentioned by the RTA. e.g. In case of corporate action type 'others', the transaction description will appear as – '**CA-ESOP**', '**CA-Buy back**', '**CA-Pending Cases**', etc. This facility will thus make it easier for a BO to identify any credit in his account, due to a corporate action..

### Facility of Mentioning Address of Correspondence in CDSL

An investor opening a demat account with CDSL has an option to give his address for correspondence apart from the mandatory requirement of mentioning his permanent address. An investor who wishes to receive all his correspondence at the address of some other entity (such as Power of Attorney for NRIs, Financiers for IPO / Margin financing, etc.) should submit the documents providing the proof of address of such other entities. This facility of CDSL has been widely appreciated by investors who have to relocate due to frequent transfers at their place of employment.

### DPs empanelled with NCDEX

In our CDSL infoline issue of June-Sept 2004, it was informed that CDSL has tied up with 'National Commodity and Derivatives Exchange' (NCDEX) for providing the facility of maintaining warehouse receipts in dematerialised form. We had also given a list of 8 DPs empanelled by NCDEX for opening demat accounts for holding warehouse receipts. NCDEX has now empanelled 12 more CDSL DPs. The updated list of such DPs is as under:

Sr. No.	Name of the DPs empanelled by NCDEX (In Alphabetical order)
1.	Anand Rathi Securities Pvt. Ltd.
2.	Alankit Assignments Ltd.
3.	Asit C Mehta Investment Intermediates Ltd.
4.	Bank of India
5.	Globe Capital Market Ltd.
6.	HDFC Bank Ltd.

7.	ICICI Bank Ltd.
8.	India Bulls Securities Ltd.
9.	Infrastructure Leasing & Financial Services Ltd. (IL&FS)
10.	Jyoti Jain Investment & Finance Company Pvt. Ltd.
11.	K. Damani Securities Pvt. Ltd.
12.	Karvy Consultants Ltd.
13.	Kotak Securities Ltd.
14.	Marwadi Shares and Finance Pvt. Ltd.
15.	Nirmal Bang Securities Pvt. Ltd.
16.	Oriental Bank of Commerce
17.	R. B. K. Share Broking Ltd.
18.	SAM Global Securities Ltd.
19.	Stock Holding Corporation of India Ltd.
20.	UTI Bank Ltd.

A BO or CM is required to open a separate demat accounts for holding warehouse receipts, as the legal status of warehouse receipts is different from that of securities. However, these accounts can be used for holding only electronic warehouse receipts. The procedure for opening of such accounts is similar to the procedure as is being followed for opening of accounts for holding securities. An investor will also have to execute a separate agreement with the DP.

### Single Market Type for Pay-in of Securities on BSE

BSE vide its notice. no. 20041116-7 dated November 16, 2004, has intimated the need for 'Single Market Type for Pay-in of Securities'. BOs and CMs should therefore note that:

- Effective from November 19, 2004, there will be no separate market type viz., 'Trade to Trade'. The delivery instructions pertaining to the same would be considered under Normal Pay-in for **On-market** as well as **Inter-depository** obligations. Thus BOs who have sold the securities in "Trade to Trade" (T2T) settlement would be required to mention market type as Normal Rolling.
- In case of inter-depository transfer to CM Pool A/c. with the other depository, the market type would be "Rolling Market (RM)" instead of "T2T".

### Mandatory Admission Of Debt Instruments On Both The Depositories

The Securities and Exchange Board of India (SEBI), vide its circular D&CC/FITTC/CIR-13/2002 dated November

1, 2002 had made it mandatory for all issuers to admit their debt instruments on both the depositories. In order to ensure compliance of the same, SEBI has once again advised issuer companies to admit their debt instruments with both the Depositories, vide its circular No. D&CC/FITTC/CIR-13/2002 dated October 27, 2004. In view of the same, issuers are advised to admit their existing as well as new debt instruments with both the depositories, so as to ensure compliance of the SEBI directive.
