## What's New ?

### IOSCO Conference

CDSL participated as an exhibitor in the recently concluded 32nd Annual Conference of International Organisation of Securities Commissions (IOSCO) organized by SEBI. IOSCO was held from 9th to 12th April 2007 at Hotel Grand Hyatt, Mumbai.

This conference was inaugurated by Hon. Finance Minister Mr. P. Chidambaram. His presence with other high level dignitaries indicated a strong level of support for the international collaborative efforts of the world's financial regulators. In his opening remarks at the Conference, Mr. Chidambaram said "the protection of the interests of the investors and the promotion and development of the securities market are inseparable twin objectives".

*SEBI Chairman Mr. M. Damodaran in discussion with Mr. Sandeep Pathak – CDSL Official at the IOSCO Stall.*

The importance of this year's event being held in India is confirmed from the remarks made by SEBI Chairman Mr. M. Damodaran; he said, "India has become a front runner among the emerging markets in implementing international financial standards. This IOSCO Conference while being yet another significant step in increasing cooperation among securities regulators, has helped to showcase the development and progress which has been achieved in the Indian securities market".

The conference was attended by more than 500 delegates representing more than 100 countries comprising of Regulators, FIIs, Mutual Funds & other important intermediaries belonging to International Financial & Capital Market. Delegates at the conference discussed various aspects concerning markets and financial regulations with global perspective.

### Footnote For PAN Requirement in Monthly BO (Beneficial Owner) Statement

With effect from April 1, 2006; SEBI has made it mandatory to submit a copy of PAN card for all categories

of BOs, in order to tighten the Know Your Clients (KYC) norms. Further, demat accounts opened before April 1, 2006 and which were not PAN compliant as on December 31, 2006; were suspended for debits with effect from January 1, 2007.

An updated position (as on May 2, 2007) of PAN compliance in respect of demat accounts, is as follow:

DATE	TOTAL NO. OF ACCOUNTS (in lakhs)	ACCOUNTS SUSPENDED FOR DEBITS (in lakhs)		ACTIVE ACCOUNTS IN WHICH PAN DETAILS ARE AVAILABLE (in lakhs)
		WITH BALANCE	WITHOUT BALANCE	
December 31, 2006	21.62	2.61	3.46	15.55
January 31, 2007	22.32	2.14	3.31	16.87
May 2, 2007	24.22	1.79	2.98	19.45

CDSL and its DPs have been regularly informing such BOs to submit their PAN card details, due to which the number of frozen accounts as on May 2, 2007 has reduced to 4.77 lakh accounts.

As many BOs have still not submitted their PAN details, DPs in the interest of such investors will now insert a footnote in the Monthly Billing Statement, urging these BOs to submit their PAN details, at the earliest.

### Easiest to offer Upload facility

CDSL is pleased to inform that BOs (Individual / Corporate / Clearing Member) registered for its internet facility "easiest", can now submit bulk transactions with the introduction of an Upload facility. This facility will enable users to enter their instructions offline & then submit the file using the upload facility. This facility will be available only to those BOs who have opted for "Account of Choice" option in easiest.

Furthermore, the upload facility is not available automatically to all DPs and they are required to send a written request to CDSL for the same.

For further queries, please contact Ms. Latha Nair (extn. 8667) or Umesh Kambli (extn. 8648) at 022-2272 3333 or email: lathan@cdslindia.com or umeshk@cdslindia.com.

## KNOWLEDGE CENTRE

### Pledging / Unpledging / Confiscation

#### Background

As per section 12 of Depositories Act 1956, securities in demat mode can be pledged. Pledging of securities means holding securities as collateral against the loan amount. There are 2 entities involved in pledging of securities; viz. The 'Pledgor' & The 'Pledgee'. The entity, which takes loan against securities, is called 'Pledgor' and the entity who gives the loan is called 'Pledgee'.

#### 1. Can I pledge my demat securities ?

Yes, you can not only pledge your demat securities, but, you may also be able to obtain higher loan amounts, with reduced margins.

#### 2. Are all securities pledgeable?

All securities other than Government Securities can be pledged.

#### 3. What is the procedure for pledging securities?

- The pledgor and the pledgee must have BO accounts with CDSL. These accounts can be with the same DP or with different DPs.
- The pledgor has to fill up the Pledge Request Form (PRF) in duplicate available with his DP.
- On receipt of the PRF, the pledgor's DP verifies that the securities can be pledged. The DP then sets up a pledge in the depository system and a unique Pledge Sequence No. (PSN) will be generated.
- One copy of PRF (with the PSN) should be sent to the Pledgee by the Pledgor. The Pledgee will then countersign the PRF for acceptance/ rejection of the pledge request and submit the PRF to his DP.
- The pledgee's DP has the facility to access the pledge request online. Based on copy of PRF the pledgee's DP either accepts or rejects the pledge request.

#### 4. How are the securities unpledged in the depository system?

- The pledgor has to fill up the Unpledge Request Form (URF) in duplicate available with his DP.
- On receipt of the URF, the pledgor's DP sets an unpledge request in the depository system using the PSN generated at the time of creating the

pledge. An unpledge request can be for part or entire quantity of pledged securities.

- One copy of URF (with the PSN) should be sent to the Pledgee by the Pledgor. The Pledgee will then countersign the URF for acceptance/ rejection of the unpledge request and submit the URF to his DP.
- The pledgee's DP has the facility to access the request on line. Based on copy of URF the pledgee's DP either accepts or rejects the unpledge request.
- The securities can also be unpledged by the Pledgee giving duly filled URF to his DP instructing to unpledge the securities. This facility is called " Auto Unpledge" where no instruction is required to be given by the Pledgor.

#### 5. Is it possible for pledgor to cancel his pledge request?

Yes, a pledgor can cancel his pledge request at any time, before the pledgee accepts it.

#### 6. What is a pledge confiscation/ invocation?

In case of default by the pledgor, the pledgee, after giving notice to the pledgor as per the terms of the agreement, may instruct his DP to invoke the pledge by submitting the "Invocation Request Form" (IRF). On execution of this instruction, the securities are transferred to the pledgee's account. This does not require any confirmation from the pledgor.

#### 7. Are locked-in securities eligible for pledge?

CDSL system permits locked-in securities to be pledged. However, it is the option of the pledgee to accept such securities in pledge. The pledgee cannot invoke a locked-in security.

#### 8. What happens in case of corporate action?

The pledgor continues to remain the beneficial owner of the pledged securities and will, therefore, be receiving the corporate benefits during the period of pledge.

#### 9. Can the securities pledged with a bank be dematerialised?

The pledged securities can be dematerialised with the prior permission of the pledgee bank.
