## CDSL - GST SERVICES

The Government of India is committed to replace all the indirect taxes levied on goods and services by the Centre and States and implement Goods and Services Tax (GST). With GST, it is anticipated that the tax base will be comprehensive, as virtually all goods and services will be taxable, with minimum exemptions.

CDSL is pleased to inform you that it has been shortlisted by Goods and Services Tax Network (GSTN) to offer GST Suvidha Provider (GSP) services. CDSL is also an Application Service Provider (ASP) and is in the process of on boarding others as ASPs. The API for ASP and the end tax payers is being made available to the ASPs or end tax payers.

Details of CDSL's GSP services are as under:

1. CDSL's system design is aimed to be simple, efficient and address tax filing issues across diverse user groups.
2. CDSL would be offering a web based solution and mobile app to users.
3. The GSP Application would be connected to GST System in a continuous asynchronous mode whenever the GSP has to provide any kind of Services to the Taxpayer.
4. GSP would be a pass through interface which would enable downloading of data from GSTN and pushing the same to the ASPs and also pulling the data from ASPs and pushing to GSTN.
5. In case you decide to provide GST services to your clients, CDSL as a GSP would empanel you as ASPs to enable you to provide value added services to various tax payers dealing with you.
6. CDSL as a GSP is also permitted to act as an ASP. Thus you can register with CDSL-ASP as a direct client for the purpose of filing the returns for all the group companies.
7. Further, in case you are filing returns through your Tax consultant, CDSL-ASP would provide the said consultant a facility to file the returns through a single login for all his clients.
8. For small time customers, users would be providing front end utilities such as enabling authorized users to enter invoice data, convert to the GST compatible format and directly upload on GSTN.
9. For large ASPs and taxpayers who have their own ERP software, CDSL would provide back office integration which would enable direct downloading of invoice data in the GSP desired format and pushing into the GSP system.
10. Many other features to facilitate modification and reconciliation of records would also be available.

We request our stakeholders to avail of this opportunity to sign up with us for our offerings and send us an email on [gsthelppdesk@cdslindia.com](mailto:gsthelppdesk@cdslindia.com) or call Ms. Komal on 022-22725742 or Ms. Sunanda on 022-22725109 or Mr. Ramkumar K on 022-22728633.

## UPDATION OF EMAIL IDs, MOBILE NUMBERS AND BANK ACCOUNT DETAILS IN DEMAT ACCOUNTS

SEBI vide its letter dated December 21, 2016 has stressed importance to collect email ids, mobile numbers, correct bank account details of all Beneficial Owners (BOs) and carry out a one-time update of their database with depositories by March 20, 2017.

In view of the above, Beneficial Owners (BOs) should submit their email IDs,

mobile numbers for SMS alerts and new bank account details where such data is not available to their Depository Participants (DPs). DPs may incorporate these requirements in their regular communication with their BOs. The BOs can also opt for the facility for Annual Report in electronic form by submitting email-id & opting for annual report flag as 'Y'. The BOs can also request to update of 'Email RTA Download Flag' to 'Y' if they wish to inform companies about their email id.

## NISM DEPOSITORY OPERATIONS CPE PROGRAM

As an NISM accredited CPE Provider for conducting the Depository Operations Program, CDSL conducted CPE training programmes at Kolkata on February 09, 2017, Mumbai on February 10, 2017, Indore and Ludhiana on February 25, 2017.

## SUCCESSFUL FACILITATION OF ELECTRONIC VOTING

CDSL's e-Voting System for Corporates is a web based platform which enables companies obtain votes for resolutions from its shareholders, electronically, in a quick and cost efficient manner. At present, more than 4600 companies have signed agreements with CDSL for availing its e-Voting facility, of which over 4050 companies have used CDSL's e-Voting platform, [www.evotingindia.com](http://www.evotingindia.com), to conduct electronic voting for AGMs and postal ballot resolutions for over 12,000 occasions. Many prominent Clubs, Export Promotion Councils and Trade Organizations have also signed the agreement with CDSL for availing e-Voting facility. This enables their members to cast their votes electronically and also facilitates the Scrutinizer in getting a consolidated voting report. To register your company for e-Voting, please contact Mr. Anand Tirodkar on 022 - 22728153, [anandt@cdslindia.com](mailto:anandt@cdslindia.com) or Mr. Ankit Bandivadekar on 022 - 22728634, [ankitb@cdslindia.com](mailto:ankitb@cdslindia.com).

## m-Voting - CDSL's e-VOTING MOBILE APP

CDSL has launched m-Voting, an e-Voting mobile App for shareholders to cast their vote at their convenience. m-Voting provides an anytime - anywhere access for shareholders for voting on Company resolutions. m-Voting app is available for Android, Windows and iOS based mobiles. Shareholders may log-in to m-Voting using their e-Voting credentials to vote for resolutions in AGMs or Postal Ballot.

Additionally, shareholders who have downloaded the application can use the application to vote even at the venue during the Annual General Meetings (AGM), Extra- Ordinary General Meetings (EGM) or any other meeting. Investors holding securities of the Companies may use the m-Voting App to vote by following the instructions mentioned in the notice of the Company.

## VENUE VOTING AT AGM/EGM

CDSL is pleased to announce that it has successfully conducted venue e-Voting at the Annual General Meeting (AGM) venues of Corporates such as HDFC Bank Limited, Tata Motors Limited and many others. Shareholders who attend the AGM were able to cast their votes electronically on Tabs/Laptops. This enables paperless voting, as shareholders were not required to use physical ballots. The system also helps in expediting the completion of the voting procedure and ensures faster announcement of results. CDSL provides a comprehensive package for e-Voting at the venue which includes tablets/laptops with e-voting application, internet connectivity and onsite personnel.

Scrutinizers are benefitting from the above-mentioned facility as they do not have to verify physical ballot papers. CDSL's system also ensures that shareholders who have cast their votes through remote e-Voting before the AGM are not allowed to e-Vote at the AGM. In order to ensure faster announcement of results, CDSL has also enabled the scrutinizers to download reports which are bifurcated into Remote e-Voting Report and Venue voting reports. In addition to the two reports, CDSL also provides a combined voting report to the scrutinizer.
