

# CDSL e-Infoline

November 2020

## MANDATORY OTP AUTHENTICATION FOR OFF- MARKET TRANSFERS

As a risk mitigation measure, SEBI, issued its Circular no. [SEBI/HO/MIRSD/ DOP/CIR/P/2020/158](#) dated August 27, 2020 w.r.t. obtaining client's consent through One Time Password (OTP) for all off-market transfers. This would include transfers within CDSL as well as inter depository transfers from the Beneficial Owner's (BO's) demat account.

BOs are requested to take note the aforesaid measure shall be effective from November 01, 2020. The system enhancements shall be as follows:

- OTP authentication would be mandatory for off-market (i.e. within CDSL as well as inter-depository) transfers.
- OTP authentication functionality will be implemented in similar manner, just as Margin Pledge OTP authentication functionality.

Any future dated off market transactions entered beyond October 31, 2020 and entered before the aforesaid system release date shall not be considered for execution. Therefore, investors are advised to take utmost precaution and avoid placing any future dated off market transactions to their DPs beyond October 31, 2020. Investors are also requested to update their latest mobile number and e-mail id in their demat account with their DPs in order to receive messages from CDSL for OTP authentication. Off market transaction originating from a demat account where the mobile number or email ID is not recorded would fail and be rejected. Hence off market transactions from such demat accounts cannot be executed.

## SUCCESSFUL FACILITATION OF e-VOTING

CDSL's e-Voting System enables investors to cast their votes pertaining to company resolutions through the internet till the closure of an e-Voting event. At present, more than 4600 companies have signed agreements with CDSL for availing its e-Voting facility, of which over 4500 companies have used CDSL's e-Voting platform, [www.evotingindia.com](http://www.evotingindia.com) to conduct electronic voting for AGMs and Postal ballot resolutions for over 24,500 occasions. CDSL also provides its e-Voting system at the venue of meeting. This has enabled shareholders to cast their vote electronically and also helps the Scrutinizer in getting a consolidated voting report.

## CONDUCTING OF AGM THROUGH VIDEO CONFERENCING (VC) OR OTHER AUDIO-VISUAL MEANS (OAVM)

In view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide [Circular No. 14/2020](#) dated April 8, 2020, [Circular No.17/2020](#) dated April 13, 2020 and [Circular No. 20/2020](#) dated May 05, 2020.

The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio-visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.

We are pleased to inform you that the facility of casting votes by shareholders using remote e-voting as well as the e-voting system on the date of the EGM/AGM and VC will be provided by CDSL.

## CDSL'S e-VOTING MOBILE APP- M-VOTING

CDSL's e-Voting is an internet-based system ([www.evotingindia.com](http://www.evotingindia.com)) through which shareholders can login and register their votes on company resolutions. The system processes and records votes automatically, which facilitates faster processing of voting results.

For convenience of shareholders, CDSL has also launched "mVoting"- a mobile app to facilitate e-Voting. m-Voting is designed with adaptive technology such that it fits in all Smart Phones/Screen sizes. The m-Voting app can be downloaded by shareholders on their Android and iOS based mobile.

## INVESTOR AWARENESS PROGRAMMS (IAPs)

During September 2020, CDSL IPF Trust has conducted 10 webinars across India. DPs / CMs also participated in these IAPs. These programs were directed towards educating Investors about Depository Services, Investing in Capital Markets.

## EMAIL ADDRESS UPDATION FACILITY FOR CDSL DEMAT ACCOUNTS

CDSL is pleased to introduce its new email address updation service for companies whose shareholders have not provided their email address in their demat account with the Depository Participant. For the said activity, CDSL shall send an SMS with a demat account specific link to the registered mobile number as available in the demat account of shareholder to initiate the process of email address updation of the shareholders of the company. CDSL will also send emails to those shareholders of the company who have opted for not downloading their email address to the RTA. For a detailed procedure please refer CDSL communique [CDSL/ADM/RTA/GENRL/2020/71](#) dated June 11, 2020.

## FAQs ON SEBI CIRCULAR CLARIFICATION ON KNOW YOUR CLIENT (KYC) PROCESS AND USE OF TECHNOLOGY FOR KYC

**Q1. How will the Registered Intermediary (RI) verify the OVD/other documents, in case of receipt of clear photograph or scan copy of the original OVD with e-sign of the client?**

There is no requirement for RI to verify the OVD/other documents in case of receipt of photograph or scan copy with e-sign of the client. Self-attestation by the client through the esign will be considered as sufficient and will satisfy the requirement of verification by RI. RI can verify the details provided to the client matches with the details on the OVD/other documents

**Q2. Whether it is mandatory to take live photograph of the client in all cases of online account opening through the website/ App/digital platform of the RI?**

Yes, it is mandatory to take live photograph of the client whether the account is opened through the Aadhaar as OVD, any other OVD or through download of KYC from KRA. It is not permitted to upload the photograph of the client or take of photograph of the client photograph. Online KYC App of the RI should verify the liveness of the photograph.

**Q3. From which document the signature of the client can be cropped for affixing on the filled KYC form and submitted to the RI under e-sign of client?**

Signature of the client can be cropped from a signed cancelled cheque, signature on a white paper or signature made on the screen of a device, provided such cropped signature on the

document / screen is eSigned by the client and submitted to the RI. However, before esigning the document, the cropped signature should be inserted in the place holders of the KYC form and displayed to the investor.

**Q4. How the e-sign of the client needs to be verified by the RI?**

RI can verify the e-sign of the client on the basis of Name, gender and year of birth mentioned in the e-sign certificate and comparing the same with the client details available in its record.

**Q5. How the digital sign on the equivalent e-document can be verified?**

As per the procedure mentioned in the IT Act 2000, digital signature on the electronic document can be verified using the public key of the signature.

**Q6. In which cases IPV/VIPV is required to be done by the RI at the time of doing the KYC?**

If KYC is conducted based on Aadhaar Authentication, IPV/ VIPV would not be required, however, entities should perform minimum due diligence to ensure authenticity of the data provided Accordingly, IPV/VIPV is not required in following cases:

- OTP based e-KYC
- Biometric based e-KYC
- Offline verification of XML file
- Offline verification of Aadhaar QR Code
- OVD's downloaded from Digilocker
- KYC downloaded from KRA and client consent by OTP
- Documents from any other source which could be verified online.

IPV/VIPV will be required in case when the investor submits scanned copies of any OVD as prescribed by SEBI.

**Q7. Whether PAN card can be considered as an identity proof for the purpose of KYC?**

PAN is not included under the list of OVD's under the rule 2(d) of the PML rules. Hence, it can't be considered as a proof of identity by the RI.

**Q8. Whether it is mandatory to provide copy of PAN card, if it is not considered as proof of identity?**

Yes, photograph/scan of PAN should be provided by client under his e-sign or e-PAN can be provided through Digilocker which are issued directly by issuing authority to Digilocker.

**Q9. What is the meaning of the scan of the OVD? Does it include the photocopy of the OVD?**

Scan of the OVD means that original OVD is scanned using the scanning software or through the physical scanner available. It doesn't include the photocopy of the original document.

**Q10. Whether it is mandatory for investor submit mobile number as updated in the Aadhaar database while doing KYC?**

In cases where client is identified by using e-KYC through Aadhaar authentication services of UIDAI or offline verification through Aadhaar QR digicode/XML file client shall provide mobile number as updated in their Aadhaar. Where KYC is done by relying upon OVD other than Aadhaar, in such case, the mobile number/s of investor accepted as part of KYC should preferably be the one seeded with Aadhaar. The Mobile number will be verified by RI through One Time Password (OTP) or other verifiable mechanism.

**Q11. Is it mandatory for the investor to submit email-id to RI?**

Yes, it is mandatory to submit email id at the time of account opening using online account facility. RI shall verify the email-id using OTP / other verifiable mechanism.

**Q12. Can scanned image or photo of OVD submitted by the client to the RI through video IPV or other online mechanisms be considered as a valid proof?**

No. The OVD shown in the VIPV is as per rule 2 (1) (cb) where the document should have been validated by means of an electronic copy issued in the Digilocker under the valid signature of the issuing authority. Hence, any documents being obtained from the client outside this mechanism should be mandatorily obtained as a scanned image or photo under eSign.

**Q13. In case RI is availing penny drop facility using API of the bank, is copy of signed cancelled cheque required to be obtained from client?**

If RI is availing penny drop facility using API of the bank, copy of signed cancelled cheque is not required to be obtained from client. However, in cases where penny drop match fails, or in cases where penny drop doesn't return joint account holder name, clients should be asked to submit proofs like copy of signed cancelled cheque

**Q14. If the investor's bank does not support the penny drop facility, can such details be accepted based on the copy of the signed cancelled cheque?**

The RI shall attempt verification of bank account details using penny drop facility in all cases. But, if the investor's bank does not provide response to support the penny drop facility, the bank details can be accepted based on the copy of the signed cancelled cheque.

**Q15. If the OVD furnished by the client does not contain the updated address, the documents as given in PML Rule 9(18), other than OVD given in the SEBI circular dated April 24, 2020, e.g. utility bill which is not more than two months old of any service provider (electricity, telephone, post-paid mobile phone, piped gas, water bill) OR Property etc, whether it can be deemed to be the OVD for the limited purpose of address?**

Yes, such documents will be treated as deemed OVD for the limited purpose of proof of address, provided that the client shall submit updated officially valid document or their equivalent e-documents thereof with current address within a period of three months of submitting the above documents. In case of non-receipt of the updated OVDs, no transactions shall be allowed in such account and intimation shall also sent to the Depository.

**Q16. The KYC completion documents sent to the clients in cases where the investor has given address other than as given in the OVD have been returned undelivered. What action should be taken by the RI?**

The account should be frozen for further transactions in the depository and the intimation should accordingly be sent to the client on mobile number and email id or on the permanent address of the client.

**Q17. Whether Aadhaar as OVD can be accepted from Digilocker?**

Yes, a digitally signed Aadhaar, issued to the DigiLocker by UIDAI can be accepted as an OVD under eSign of the client.

**Q18. What are the features required in the photograph taken in online KYC application of the RI?**

The online KYC application of RI should have a facility to take a photograph of the investor which has time stamping, geo-location tagging and liveness check.
