CDSL CROSSES 6 CRORE DEMAT ACCOUNTS

Central Depository Services (India) Limited (CDSL), first and only listed depository in India, is pleased to announce its noteworthy milestone as it becomes the first depository to open six crore plus (60 million) active demat accounts.

Celebrating the new milestone, CDSL remembers its journey:

CDSL is currently the largest depository in the country in terms of active demat accounts.

A celebration event was organised to commemorate the achievement for 6 crore demat accounts. The celebration event was graced by the Chief Guest, Mr. Ananta Barua, Whole Time Member, SEBI and other senior dignitaries from SEBI, the top officials of the Market Infrastructure Institutions and Depository Participants.

On this momentous occasion, Mr. Ananta Barua focused on the importance of investor awareness whilst the growth of the Indian Securities markets and congratulated the CDSL Team - *"I congratulate the CDSL team for their achievement of registering 6 crore demat accounts. Dematerialisation was a product of the difficulties caused on account of physical shares. The access to Indian securities market have become safe, convenient and easy and the new milestone is a representation of the same.*

Enormous efforts have been taken by all the market infrastructure institutions to maintain the seamless operations of the financial ecosystem during the last 2 years and whilst the same was being done, the markets were reaching unprecedented new heights and that was possible only due to the ease of business being provided by the MIIs such as eCAS, eNomination, etc. which helped the capacity building of the investors and the whole financials system was benefitted." He also focused on the need to create an awareness amongst the new investors about the Indian Securities market, the role of MIIs, investor protection to ensure they make informed decisions.

Expressing his pride on the moment, Mr. B V Chaubal, Chairman, CDSL said: *"It is reassuring to note that the focus of registration of new demat accounts is shifting from metros to tier II and tier III cities, which is indicative of the broadening of the Indian Capital Market. While we are now at 6 crores demat accounts, our demat accounts are still at a fraction of the entire population and thus, there is an immense opportunity of growth given that a large part of the population of our country is yet outside the Indian securities markets."*

Commenting on the joyous occasion, Mr. Nehal Vora, MD & CEO of CDSL stated: "We are elated to have crossed the 6-crore milestone. It is a moment of pride and happiness for the entire eco-system of the securities market and demonstrates the dividend of digitization embarked upon in the 1990s. The milestone also recognises the efforts that led to this growth – the capital market regulator, the market infrastructure institutions, market intermediaries and the employees of CDSL. It is years of ingenious foresightedness of SEBI, hard-work and innovation that has made the process of a demat account opening secure and simple.

And most importantly, we would like to thank the investors for their constant faith and we are fully committed to make the operation of the demat account, a hassle-free experience and we would constantly endeavour making every investor, an Atmanirbhar Niveshak, through our digital services."

PROVISION OF REDIRECTION FACILITY FOR EVOTING OF LISTED COMPANIES

SEBI, vide its circular no. [SEBI/HO/CFD/CMD/CIR/P/2020/242](#), dated December 9, 2020, had decided to enable evoting of individual demat account holders through a single login credential, through the demat accounts or websites of depositories or depository participants (DPs).

With a view to implement the aforesaid circular, CDSL is pleased to announce the provision of a facility that will enable its DPs to redirect its Beneficial Owners (BOs) from their own websites to the CDSL BO Centre and provide them a direct access to do e-Voting. Individual Shareholders having a demat account can logon to the online trading portals of their DPs/Brokers and get redirected to CDSL's BO centre. Upon redirection, an initial authentication will be done through the evoting menu of the BO Centre using an OTP. Individual demat account holders will then be able to cast their vote on the evoting portal of CDSL or any evoting service provider (ESP) without any further authentication.

CDSL has provided an API facility to its depository participants in this regard. For more information on onboarding process and technical specifications, DPs are requested to send their requests to helpdesk.evoting@cdslindia.com, paragb@cdslindia.com, shivdasb@cdslindia.com. Kindly refer to CDSL communique no. [CDSL/OPS/DP/ POLCY/2021/472](#), dated October 20, 2021, for further details.

KNOWLEDGE CENTRE

MONEY MANAGEMENT

There is a famous saying –"A Journey of a thousand miles must begin with a single step" – Lao Tzu

Dear Investors,

A well calculated financial plan goes a long way in building a retirement corpus. While planning your retirement, the first single step one has to take is to estimate the amount you would need to live a comfortable retired life.

Understand your time horizon, risk appetite and goals and accordingly manage your money by starting investing from an early age.

Whenever you make a financial budget, see to it that you consider your active as well as passive income into consideration. This will help you out to understand your finances in better manner and never forget to consider inflation while planning your financial budget.

By starting your investing journey at an early stage, you will understand how financial discipline leads to financial independence. Early investment teaches the real difference between investment and saving. Never think that young age is a barrier to investing, as you are never too young to start your investing journey and life to financial independence. Even a little amount of money invested now will put more money in your pocket in the future thanks to the power of compounding.

While planning for your life's milestones, consider your asset allocation as this will help you diversify your portfolio and achieve a balance between returns and risk.

Consider your present and future lifestyle and try to reduce your present expenses wherever possible as it will help you to fulfil your future aspirations.

Retirement products includes Mutual Funds, Public Provident Fund (PPF), National Saving Certificate (NSC), Kisan Vikas Patra, National Pension Scheme (NPS), Bonds etc. Never forget to opt for term insurance and an appropriate health cover.

Don't mix your insurance needs with your investment goals. We are all aware that insurance is a need of an hour. –Covid-19 has given a wakeup call to all of us that we should be prepared to face any type of uncertainty in life.

The final and most important takeaway in your money management is that if you start your investment at early stage, the power of compounding will help you create a decent retirement corpus and to meet your goals on time. Always remember to give time to your investments to mature.

Note: Don't shy away from taking SEBI registered investment adviser's help to seek an expert view on your investment decisions.

Stay Safe and Invest Safe.
