NOTES:

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed. The Annual General Meeting (“AGM”) of the Company is scheduled to be held on Tuesday, September 21, 2021, at 03:30 p.m. (IST) through two-way Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”) and the voting for items to be transacted in the Notice to this AGM shall be only through remote electronic voting process and electronic voting during the AGM, in compliance with applicable provisions of the Companies Act, 2013 (the “Act”) (including any statutory modification or re-enactment thereof for the time being in force) read with Rule 22 of the Companies (Management and Administration) Rules, 2014 (the “Rules”), as amended from time to time, and the General Circular No. 14/2020, 17/2020, 20/2020, 02/2021 issued by the Ministry of Corporate Affairs (MCA) (hereinafter collectively referred to as “the Circulars”), in relation to “Clarification on passing of ordinary and special resolutions by Companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by COVID-19” and General Circular No. 20/ 2020 dated May 5, 2020, in relation to “Clarification on holding of Annual General Meeting (AGM) through video Conferencing (VC) or Other Audio Visual Means (OAVM)” issued by the Ministry of Corporate Affairs, Government of India (the “MCA Circulars”). The deemed venue for the AGM shall be the Registered Office of the Company. Accordingly, in terms of the above-mentioned MCA circular, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice
2. Explanatory Statement pursuant section 102(1) of the Companies Act, 2013 in respect of Item No. 4, 5 and 6 is annexed hereto.
3. Members attending the meeting through VC or OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act 2013.
4. The meeting shall be conducted through Video Conference facility available in e-meeting application software that is Lifesize application. Necessary Link to join the meeting and procedure to operate that e-meeting platform will be send to the members to their registered email ids. Members are requested to click on the link to access the meeting.
5. A copy of the notice is also available on the Company’s website at <https://www.cirl.co.in/>

CDSL INSURANCE REPOSITORY LIMITED

6. Unless the demand for poll is made by any Member, the Chairman shall conduct the vote by show of hands. In case of demand of poll, Members are requested to note the email id Secperformer@cdslindia.com for sending their votes.
7. Pursuant to the provisions of the Companies Act, 2013 ("Act") a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of the AGM are not annexed to this Notice.
8. Corporate members intending to send their authorised representatives to attend the Annual General Meeting as per Section 113 of the Companies Act, 2013 are requested to send a certified copy of their Board resolution authorizing their representative to attend and vote on their behalf at the meeting to the Company on Secperformer@cdslindia.com
9. The facility to join the Meeting will be kept open for a tenure of 15 minutes prior to commencement of the Meeting and shall not be closed till expiry of 15 minutes after such scheduled time.
10. The extract of register of directors, key managerial personnel and their shareholding maintained under Section 170 of the Companies Act, 2013 and the register of contracts or arrangements in which directors are interested maintained under Section 189 of the Companies Act, 2013 will be provided for inspection to any person who are attending the meeting via electronic mode, if requested.
11. Further, pursuant to the MCA Circulars, the Notice of the AGM along with the Annual Report for FY 2020-21 is sent in electronic form only to those Members whose email addresses are registered with the Company/ Depositories.
12. The Members are requested to note that the Company is pleased to provide a two-way Video Conferencing Facility (VC) to view the live streaming of the proceedings of the AGM and facilitate participation of Members at the AGM through VC or asking their questions through a Chatbox facility.
13. The Members may email to Secperformer@cdslindia.com for any assistance to attend the meeting through e-meeting application that is lifesize application.

CDSL INSURANCE REPOSITORY LIMITED

Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013, setting out the material facts concerning each item of special business

ITEM NO. 4:

The Board of Directors appointed Smt. Nayana Ovalekar as an Additional Director of the Company on July 20, 2021 under Section 161(1) of the Companies Act, 2013. Her term of office as Additional Director expires at the Tenth Annual General Meeting of the Company and is eligible to be appointed as Director of the Company.

Smt. Nayana Ovalekar represents Central Depository Services (India) Limited as its nominee/representative on the Governing Board of the Company. The Nomination & Remuneration Committee of the Company in its meeting held on July 20, 2021 has recommended appointment of Smt. Nayana Ovalekar as Director of the Company pursuant to Section 160 of the Companies Act, 2013. If appointed on the Governing Board, Smt. Nayana Ovalekar, shall be liable to retire by rotation as stipulated under the Act.

The Board is of the view that the knowledge and experience of Smt. Nayana Ovalekar will be of immense benefit to the Company and therefore, recommends their appointment as Director of the Company to the members.

None of the Directors/Key Managerial Personnel or their relatives, except Smt. Nayana Ovalekar, is concerned or interested financially or otherwise in the said Resolution. The Brief profile of Smt. Nayana Ovalekar is annexed to this notice.

Your Board therefore, recommend the passing of the ordinary resolution as set forth in item no. 4 of this notice, to appointment Smt. Nayana Ovalekar as Director of the Company.

ITEM NO. 5 & 6:

The Board of Directors appointed Shri Ramkumar K. as an Additional Director of the Company on July 20, 2021 under Section 161(1) of the Companies Act, 2013. His term of office as Additional Director expires at the ensuing Tenth Annual General Meeting of the Company and is eligible to be appointed as Director of the Company.

Pursuant to Section 160, the Nomination and Remuneration of the Company recommended the appointment of Shri Ramkumar K. as Director.

CDSL INSURANCE REPOSITORY LIMITED

The Company's Managing Director, Shri Amit Mahajan has resigned on June 01, 2021 from the services of CIRL and upon the recommendations of the NRC & the Board in its meeting held on July 20, 2021 had appointed Shri Ramkumar K, Chief of Business Operations, CDSL as an Additional Director in place of Shri Amit Mahajan.

The Board at the said meeting has also appointed Shri Ramkumar K. as Managing Director of the Company for a period of three years subject to approval of the Members and further subject to approval of the IRDAI.

The Board is of the view that the knowledge and experience of Shri Ramkumar K. will be of immense benefit to the Company and therefore, recommends his appointment as Managing Director of the Company to the Members for a period of three years effective from the date of approval of the IRDAI.

None of the Directors/Key Managerial Personnel or their relatives, except Shri Ramkumar K, is concerned or interested financially or otherwise in the said Resolution.

Your Board therefore, recommend the passing of the ordinary resolution as set forth in item no. 5 & 6 of this notice, to appoint Shri Ramkumar K. as Managing Director of the Company.

Other comprehensive income (Net of Tax)	0.22	0.27
Total comprehensive income	163.27	104.87

The Company does not propose to transfer any amount to General Reserve.

b. Financial Comments

During the year under review, your company has reported decrease in operational income to ₹ 35.67 lakhs from ₹ 44.72 lakhs of previous year. Total income is lower by 16 % at ₹ 284.55 lakhs as compared to ₹ 339.86 lakhs of previous year. Total expenditure has increased by 37 % to ₹ 117.09 lakhs as compared to ₹ 85.23 lakhs of previous year. Profit before tax has been lower by 34 % at 167.46 lakhs as compared to ₹ 254.63 lakhs of previous year. Tax has been at ₹ 4.41 lakhs as compared to ₹ 150.03

lakhs for the previous year. Profit after tax for the year has been higher by 56 % at ₹163.05 lakhs as against ₹104.60 lakhs as compared to the year ended March 31, 2020.

It may be observed that the Paid-up Equity Capital and the Net worth of your company as on 31st March, 2021 stands at ₹30.00 crore and ₹39.76 crore respectively.

2. Operational Statistics

As on March 31, 2021, your company has 6.03 lakh active eIAs (electronic insurance accounts) as against 5.50 lakh active eIAs as on March 31, 2020 in the Repository. As on 31st March, 2021, around 4.22 lakh electronic policies constituting 4.00 lakh Life e-insurance policies, 883 Motor e-insurance policies and 20,602 health e-insurance policies have been credited in the eIAs as against 3.07 lakh electronic policies constituting 2.96 lakh life insurance policies, 216 motor insurance policies and 10,366 health insurance policies as on March 31, 2020. The aforesaid figures indicate that there is a positive trend in creating electronic -insurance policies, with a growth rate of 38 %.

a) Tie-up with insurance companies

Your company has signed IR-Insurer agreements with 22 out of 24 life insurance companies and 20 general insurance companies out of 33 general insurance companies as per table given below:

Life Insurance companies signed up with CIRL:

Sr. No.	Name of the Insurance Company
1	AEGON Life Insurance Company Limited
2	Aviva Life Insurance Company India Limited
3	Bajaj Allianz Life Insurance Company Limited
4	Bharti AXA Life Insurance Company Limited

9	Liberty General Insurance Company Limited
10	Magma HDI General Insurance Company Limited
11	Max Bupa Health Insurance Company Limited
12	Raheja QBE General Insurance Company Limited
13	Reliance General Insurance Company Limited
14	Reliance Health Insurance Company Limited

Sr. No.	Name of the Insurance Company
15	Religare Health Insurance Company Limited
16	Royal Sundaram Alliance Insurance Company Limited
17	SBI General Insurance Company Limited
18	Shriram General Insurance Company Limited
19	Star Health and Allied Insurance Company Limited
20	Universal Sompo General Insurance Company Limited

Your company is in touch with other life and non-life insurance companies and the process of signing up with them has been initiated.

b) Approved Persons

Under the Guidelines issued by IRDAI, insurance repositories are permitted to appoint 'Approved Persons' to act as marketing Agents for generating business, subject to registration with IRDAI. As on March 31, 2021, your company has appointed 319 Approved Persons all over the country who are duly registered with IRDAI.

CIRL's services are extended through its agents called Approved Person (AP). The AP is the link between the eIA holder and CDSL IR. An eIA holder who opens an eIA with an AP can utilise the services offered by CDSL IR. While the AP processes the instructions of the eIA holder, the account and records thereof is maintained with CIRL. An AP is thus a "Point of Service" for the eIA.

All the DPs of CDSL and Corporate agents / Brokers of Insurance Companies can act as service providers on behalf of CIRL for which they will have to be registered as 'Approved Person' with CIRL after going through the registration process duly approved by IRDAI.

Future Outlook

Your company is of the view that the scope for the company in terms of untapped business is tremendous as a large percentage of the policy holders is waiting to be taken on board the electronic system. The total eIAs across the IRs has now crossed 76 lakhs holding about 83 lakhs policies in electronic form as compared to the total policy holding population of about 45-50 crore. eInsurance Account holders can now hold their Motor Vehicle and Health (Mediclaim) policies in the same account, as well. If the capital market experience of investors shifting from physical holdings to electronic

holdings is used as a yardstick to measure the growth in the electronic policy segment, your company has a potential to grow exponentially in the next 3 to 5 years provided holding of insurance policies through eIAs is made mandatory by the regulator.

Presently, the growth is slack due to the Covid-19 pandemic and its associated lockdowns. IRDAI has relaxed its rules of issuing electronic policies only through IRs, to ensure that policy holders do not suffer due to the pandemic.

The popularity of the concept of electronic insurance policy will get a filip only if the regulator, IRDAI were to make holding the policies through eIA mandatory as was the case with the equity shares. This is expected to happen only after normalcy is restored after the pandemic.

Your Company has received a contract from an Insurance Company, to operate remote offices on their behalf and provide outsourcing services. Three such centers have been established at present and four more centers are in the pipeline. We are also interacting with other Insurance Companies to provide similar services. Considering the trend of companies outsourcing their activities, these services contracts will provide your company with new revenue streams, apart from the IR business.

3. Capital Structure

The Share Capital structure of the Company as on March 31, 2021, is as follows:

Particulars	Amount (in ₹)
Authorised Capital	
3,00,00,000 Equity Shares of ₹ 10/- each	30,00,00,000/-
Total	30,00,00,000/-
Issued, Subscribed and Paid Up Share Capital	
3,00,00,000 Equity Shares of ₹ 10/- each	30,00,00,000/-
Total	30,00,00,000/-

Central Depository Services (India) Limited holds directly 51% of the paid-up capital of your Company, while CDL Ventures Limited (CVL), a wholly owned subsidiary of CDSL holds 3.25% of the paid up capital whereas remaining 45.75% is held by ten insurance companies in Life and Non-Life sectors. The Company's net worth as on March 31, 2021 is ₹ 39.76 crores. As per the guidelines of IRDAI, networth requirement

stipulated for setting up insurance repositories is ₹25-crore which has been met by your company as on March 31, 2021.

During the year under review, your company has not issued and allotted any shares.

4. Dividend

Your Directors feel it is prudent to plough back the profits earned during the year as the insurance repository business is still in the nascent stage.

As such, your Directors do not recommend Dividend for the year. However, it will be the endeavour of the Management of your Company to have a stable dividend policy in the future.

5. Extract of Annual Return

In accordance with the provisions of section 92(3) and section 134 (3)(a) of the Companies Act, 2013 read with Rule 12 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, an extract of Annual Return of the Company for the year ended March 31, 2021, is provided in the prescribed form MGT – 9 as **Annexure-I** which forms part of this report.

The extract of the annual return is also placed on the website of the Company 'www.cirl.co.in.'

6. Directors

In accordance with the provisions of Section 152(6)(c) of the Companies Act, 2013, Shri Nayan Mehta will retire by rotation at the ensuing Annual General Meeting, and is eligible for re-appointment. Necessary resolution seeking his re-appointment has been proposed in the notice of the 10th Annual General Meeting.

During the year under review, the following changes took place in the composition of the Board of Directors:

Sr. No.	Name of the Director	Particulars of Change	Effective date
01	Shri Girish Amesara ⁴	Change in designation from Additional Director to Director	September 01, 2020
02	Shri Amit Mahajan ⁵	Change in designation from Additional Director to Director and appointed as Managing Director	September 01, 2020

7. Board Meetings

The Board of Directors of your company met four times during the Year under review as under:

Sr. No.	Date of Meetings	Venue of the meetings	Number of Directors present	Number of Directors to whom Leave of absence was granted
1	May 13, 2020	CDSL Board Room, 25th floor, Marathon Futurex, A Wing, N. M. Joshi Marg, Lower Parel through video conferencing	6	Nil
2	July 22, 2020		6	Nil
3	October 21, 2020		6	Nil
4	January 20, 2021		6	Nil

8. Directors' Responsibility Statement

Pursuant to sub-section (5) of Section 134 of the Companies Act, 2013 and to the best of their knowledge and belief and according to the information and explanations obtained /received from the management, your Directors make the following statement and confirm that-

- a. in the preparation of the annual financial statements for the year ended 31st March, 2021, the applicable accounting standards had been followed along with proper explanation relating to material departures;

⁴ Shri Girish Amesara resigned as director of the Company with effect from June 01, 2021.

⁵ Shri Amit Mahajan resigned as director & Managing Director of the Company with effect from June 01, 2021.

- b. the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit of the company for that period;
- c. the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d. the directors had prepared the annual accounts on a going concern basis; and
- e. the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

9. Internal Financial Control Systems and their Adequacy

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, the work performed by the internal and statutory auditors, including the audit of internal financial controls over financial reporting by the statutory auditors and the reviews performed by management and the Audit committee, the Board is of the opinion that the Company’s internal financial controls were adequate and effective during FY 2020-21.

10. Declaration by Independent Directors under Section 149(6) of the Companies Act, 2013

Pursuant to Section 149 (4) of the Companies Act, 2013 read with The Companies (Appointment and Qualifications of Directors) Rules, 2014 the Central Government has prescribed that your Company shall have minimum two Independent Directors.

In view of the above provisions, your Company has appointed two Independent Directors as under:

Sr. No.	Name of Independent Director	Date of appointment	Date of re-appointment
1.	Shri G. Anantharaman	April 21, 2014	April 21, 2019
2.	Shri S.S.N. Moorthy	December 27, 2014	December 27, 2019

Both the above Independent Directors meet the criteria of 'independence' prescribed under section 149(6) and have submitted their declarations to that effect. Further, as required under Section 150(1) of the Companies Act, 2013 they have got registered themselves as Independent Directors in the Independent Director Data Bank and are exempted to appear for proficiency self-assessment test in terms of Companies (Appointment and Qualifications of Directors), Rules 2014 (as amended).

11. Nomination and Remuneration Committee

In accordance with Section 178 of the Companies Act, 2013, your Company has constituted a Nomination and Remuneration Committee consisting of four non-executive directors out of which two Directors are Independent Directors.

The composition of the Committee as on March 31, 2021 is as under:

Shri G. Anantharaman	Chairman
Shri N. Rangachary	Member
Shri S.S.N. Moorthy	Member
Shri Nayan Mehta	Member

The Nomination and Remuneration Committee met once during the year under review on May 13, 2020 in which all the Members were present.

12. Audit Committee

Your Company has, under the provisions of Section 177 of the Companies Act, 2013, re-constituted the "Audit Committee" so as to comprise of minimum three directors and independent directors forming a majority.

The Audit Committee acts in accordance with the Terms of Reference specified by the Board in writing.

The composition of the Audit Committee as on March 31, 2021 is as under:

Shri G. Anantharaman	Chairman
Shri N. Rangachary	Member
Shri S.S.N. Moorthy	Member

The Audit Committee met four times during the Year under review as under:

Sr. No.	Date of Meetings	Venue of the meetings	Number of members present	Number of Members to whom Leave of absence was granted
1	May 13, 2020	CDSL Board Room, 25th floor, Marathon Futurex, A Wing, N. M. Joshi Marg, Lower Parel through video conferencing	3	Nil
2	July 22, 2020		3	Nil
3	October 21, 2020		3	Nil
4	January 20, 2021		3	Nil

The functions of the Audit Committee are broadly to:

- (a) Overview Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible.
- (b) Review and monitor internal control system and compliance of audit observations of the Auditors
- (c) Review financial statements before submission to the Board.
- (d) Supervise other financial and accounting matters as may be referred to by the Board.
- (e) Review, with the management, performance of statutory and internal auditors, and adequacy of internal control systems
- (f) Discuss with statutory auditors before the audit commences, about the nature and scope of audit as well as have post-audit discussion to ascertain any area of concern.
- (g) Review the company's financial and risk management policies.
- (h) Oversee vigil mechanism for adequate safeguards against victimization of persons who use such mechanism and make provision for direct access to the chairperson of the Audit Committee in appropriate and exceptional cases.

13. Annual Evaluation by the Board of its own performance and that of its Committees and individual Directors

As required under section 178(2) of the Companies Act, 2013 and under Schedule IV to the Companies Act, 2013 on Code of conduct for Independent Directors, a comprehensive exercise for evaluation of the performances of every individual

director, of the Board as a whole and its Committees and of the Chairperson of the Company was carried out.

For the purpose of carrying out performance evaluation exercise, four types of Evaluation forms were devised in which the evaluating authority has allotted to the individual Director, the Board as a whole, its Committees and the Chairperson, appropriate rating such as Excellent, Very Good, Good or Satisfactory depending upon the performance.

Such evaluation exercise has been carried out:

- (i) of Independent Directors, by the Board
- (ii) of Non-Independent Directors, by the Independent Directors in separate meeting
- (iii) of the Board as a whole and its Committees, by the Independent Directors in separate meeting
- (iv) of the Chairperson of your Company, by the Independent Directors in separate meeting after taking into account the views of the Executive/Non-Executive Directors
- (v) of individual Directors, by the Nomination and Remuneration Committee in its meeting.

Having regard to the industry, size and nature of business your company is engaged in, the evaluation methodology adopted is, in the opinion of the Board, sufficient, appropriate and is found to be serving the purpose.

14. Related Party Transactions

During the year, the company has entered into contracts and arrangement with related parties as annexed in **Annexure-II**.

The said transactions were in the ordinary course of business and at arm's length basis.

15. Details of Loans, Guarantee and Investments

Whilst your Company has not given any loan or given any guarantee during the year under review, details of investments are given in the Notes to the Financial Statements.

16. Deposits

During the year under review, your Company has not accepted any deposits within the meaning of Section 73(1) of the Companies Act, 2013 and the Rules made thereunder.

17. Auditors and Auditors Report

a) Statutory Auditors:

M/s. Lodha & Co., Statutory Auditors of your Company, were appointed by the Members till the year 2020-21. Accordingly resolution is proposed for appointment of M/s. S R Batliboi & Co. LLP, Chartered Accountants, as Statutory Auditors of the Company and the same has been included in the Notice for this AGM.

b) Auditors Report:

The Auditors' Report does not contain any qualification, reservation or adverse remarks.

c) Instances of fraud, if any, reported by the Auditors:

There have been no instances of fraud reported by the aforesaid Auditors under Section 143(12) of the Act and Rules framed thereunder either to the Company or to the Central Government.

18. Subsidiary Companies, Joint Venture or Associate Companies

Your Company continues to be the subsidiary company of Central Depository Services (India) Limited during the year under review. Further, your Company didn't have any subsidiary or joint-venture or associate company.

19. Material Changes and Commitments

There were no material changes and commitments between the end of the year under review and the date of this report, which could have an impact on the Company's operation in the future or its status as a "going concern".

20. Details of significant and material orders passed by the regulators/ courts/ tribunals impacting the going concern status and the company's operations in future

During the year under review, no material Orders were passed by the Regulators / Courts/Tribunals, impacting the Company's going concern status and future Operations

21. Conservation of Energy, Technology Absorption

Considering the nature of operations of your Company, the provisions of Section 134(3)(m) of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 relating to information to be furnished on conservation of energy and technology absorption are not applicable. The Company, however, will be using information technology for implementation of its insurance repository project.

22. Details of foreign exchange earnings and outgo

Your Company did not earn any foreign exchange, nor was there any outgo in foreign exchange during the year under review.

23. Particulars of Employees

None of the employees of the Company is drawing remuneration in excess of the limits prescribed under Rule (5)(2) of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

24. Human Resources

Your Company had as on March 31, 2021, only one permanent employee who was the Company Secretary and Compliance officer. With a view to keeping the operating cost at bear minimum, the day-to-day operations of your company is being handled by staff members of Group Company. The Company is taking on reimbursement basis assistance from 6 officials from parent company and subsidiary company.

25. Report by Internal Complaints Committee

Since there are no women employees in your company, the provisions relating to Internal Complaints Committee are not applicable to your company.

26. Compliance with the Secretarial Standards

The Directors have devised systems to ensure compliance with the provisions of all applicable Secretarial Standards. However, in view of the disruption caused due to pandemic and nation-wide lockdowns, certain portion of applicable Secretarial Standards were not adhered to. The Board has taken sufficient measures to ensure adequate compliance of all Secretarial Standards.

Acknowledgements

Your Directors place on record their sincere gratitude for the assistance, guidance and co-operation the Company has received from IRDAI, BSE Ltd., CDSL, various insurance companies, Approved Persons, bankers and all other stake holders.

The Board further places on record its appreciation for the dedicated services rendered by the employees of the Company/Group Company.

For and on behalf of the Board of Directors

N. Rangachary
Chairman

INDEPENDENT AUDITORS' REPORT

**TO,
THE MEMBERS OF
CDSL INSURANCE REPOSITORY LIMITED**

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **CDSL Insurance Repository Limited**, which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021 and its profit, total comprehensive income, change in equity and cash flows for the year ended on that date.

Basis of opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the Ind AS financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe the actions applicable in the applicable law and regulations.

Management’s Responsibility for the Ind AS Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, change in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are

also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of ant identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:
During the year, the Company has not paid any remuneration to its directors, except for sitting fees.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE REFERRED TO IN PROVISION OF PARAGRAPH 1 UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF THE CDSL INSURANCE REPOSITORY LIMITED.

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we state that:

- i. a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

b) The Company has carried out physical verification of all its fixed assets during the year. In our opinion, the frequency of verification is reasonable considering the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

c) The Company does not own any immovable property. Therefore, Para 3(i) (c) of the Order is not applicable to the Company.
- ii. The Company does not have any inventory. Therefore, the Para 3(ii) of the Order is not applicable to the Company.
- iii. During the year the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act.
- iv. The Company has neither given any loans nor provided any guarantee or security during the year. In respect of investments, the provisions of section 185 and 186 of the Act have been complied with.
- v. No deposits within the meaning of directives issued by RBI (Reserve Bank of India) and Sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder have been accepted by the Company.
- vi. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, in respect of the services rendered by the Company. Therefore, the Para 3(vi) of the Order is not applicable to the Company.
- vii. a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales-tax, service tax, Goods & Service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues applicable to the Company with the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

b) According to the records of the Company, there are no dues of income tax or sales tax or service tax or Goods & Service tax or duty of customs or duty of excise or value added tax which have not been deposited on account of any dispute.

- viii. The Company has not taken any loan or borrowing from a financial institution, bank, government or debenture holders. Therefore, Para 3 (viii) of the Order is not applicable to the Company.
- ix. The Company has not raised any money by way of initial public offer or further public offer during the year or in the recent past and has not taken any term loan. Therefore, Para 3 (ix) of the Order is not applicable to the Company.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of such case by the management.
- xi. The Company has paid/ provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
- xii. The Company is not Nidhi Company. Therefore, Para 3 (xii) of the Order is not applicable to the Company.
- xiii. All transactions with the related parties are in compliance with section 177 and 188 of Act where applicable and the details have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause 3(xiv) of the order is not applicable to the Company.
- xv. The Company has not entered into any non-cash transactions with directors or persons connected with him under section 192 of the Act.
- xvi. As the Company is governed by the provisions of Insurance Regulatory and Development Authority of India Act, 1999 the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934. Para 3 (xvi) of the Order is not applicable to the Company.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of **CDSL Insurance Repository Limited** (“the Company”) as of March 31, 2021 in conjunction with our audit of Ind AS financial statements of the Company for the year ended March 31, 2021.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements (4) also provide reasonable assurance by the internal auditors through their internal audit reports given to the company from time to time.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

1. Corporate Information

- 1.1. The Company was incorporated with the main objective of setting up an insurance repository to provide policyholders a facility to keep insurance policies in electronic form and to undertake changes, modifications and revisions in the insurance policy with speed and accuracy in order to bring about efficiency, transparency and cost reduction in issuance and maintenance of insurance policies.

2. Significant Accounting Policies:**2.1. Statement of compliance**

The financial statements as at and for the year ended March 31, 2021 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under section 133 of the Companies Act 2013, read together with the companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

The financial statements for the year ended March 31, 2021 were approved by the Board of Directors and authorised for issue on April 24, 2021.

2.2. Basis of preparation

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting year, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.3. Functional and presentation currency

The financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All financial information presented in Indian rupees has been rounded to the nearest lakh except share and per share data.

2.4. Use of Estimates:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the years presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the statement of profit and loss in the year in which the estimates are revised.

2.5. Property, Plant & Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly

attributable to the acquisition of the items. Capital work-in-progress, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. Cost includes borrowing costs for long term construction projects if the recognition criteria are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

2.6. Intangible assets

Intangible assets purchased are measured at cost as of the date of acquisition less accumulated amortization and accumulated impairment, if any.

Intangible assets are amortised on a straight line basis over economic useful life of asset and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization expense on intangible assets is recognized in the Statement of Profit and Loss

Intangible assets consist of computer software.

2.7. Depreciation/Amortization/Impairment Loss

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Description of asset	Useful life as per Company's Act 2013 (Years)	Useful Life as per Company Policy (Years) (Till Dec 31, 2020)	Useful Life as per Company Policy (Years) (W.e.f. Jan 1, 2021)
Computer Hardware	6	2	6
Computer software	3	2	3

Mobiles/tablets provided to employees as per Service Rules of the company is charged to Statement of Profit and Loss. The carrying amounts of assets are reviewed at each Balance Sheet date, the asset is treated as impaired when its carrying cost exceeds the recoverable amount. Impairment loss, if any, is charged to the Statement of Profit and Loss for the year in which the asset is identified as impaired. Reversal of impairment loss recognized in the prior years is recorded when there is an indication that impairment losses recognized for the asset no longer exist or have decreased.

2.8. Fair Value Measurement

The Company measures financial instruments, such as derivatives, at fair value at each Balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of Unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Inputs are quoted market prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level of input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Fair value for measurement and / or disclosure purposes in this financial information is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

2.9. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Statement of Profit and Loss.

a) Classification of financial assets

Company has classified and measured Financial Assets into following:

- i) **Amortized cost** if both of the following conditions are met:
 1. The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
 2. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- ii) **Fair value through other comprehensive income** if both of the following conditions are met:
 1. The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
 2. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Assets under this category are measured at fair value and gains and losses arising out of such measurement are carried through other comprehensive income
- iii) **Fair value through profit or loss** if asset is not classified at amortized cost or fair value through other comprehensive income

b) Classification of Financial Liabilities

Company has classified financial liabilities as subsequently measured at amortized cost. For trade and other payable maturing within one year from the date of Balance Sheet the carrying amount approximate fair value due to short maturity of these instruments.

2.10. Employee Benefits

Short term Employee Benefits are estimated and provided for performance linked bonus is provided as and when the same is approved by the Management.

Post-Employment Benefits and Other Long term Employee Benefits are treated as follows:

a) **Defined Contribution Plans:**

Provident Fund

The Provident fund plan is operated by Regional Provident Fund Commissioner (RPFC) and the contribution thereof is paid/provided for.

Contributions to the defined contribution plans are charged to Statement of Profit and Loss for the respective financial year as and when services are rendered by the employees.

b) **Defined Benefits Plans:**

i) Gratuity

Gratuity for employees is covered by Gratuity Scheme with Life Insurance Corporation of India and the contribution thereof is paid/provided for. The Company's liabilities under Payment of Gratuity Act are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the terms of the Government bonds are consistent with the estimated terms of the defined benefit obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss. Re-measurement gains or losses arising from experience adjustments changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of changes in Equity and in the Balance Sheet. Re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods.

ii) Compensated absences

Accumulated compensated absences, which are expected to be availed or encased within 12 months from the end of the year, are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encased beyond 12 months from the end of the year, are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year.

Actuarial gains/losses at the end of the year accrued to the defined benefit plans are taken to Other Comprehensive Income for the respective financial year.

2.11. Borrowing Cost

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing cost directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur in the Statement of Profit and Loss. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.12. Current tax and deferred tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws. Deferred tax is recognized using balance sheet approach. The deferred tax for timing differences between the book and tax profits for the year is accrued for, using the tax rates and laws those have been substantively enacted as of the balance sheet date. Deferred tax assets arising from differences are recognized to the extent that there is reasonable certainty that these would be realized in future.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Current tax and deferred tax relating to items recognized outside Statement of Profit and Loss is recognized outside Statement of Profit and Loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

2.13. Foreign Currency Translation

The functional currency of CDSL Insurance Repository Limited is Indian rupees

All foreign currency transactions are recorded at exchange rate prevailing on the date of the transaction. All foreign currency current assets/liabilities are translated at the rates prevailing on the date of the Balance Sheet. Foreign exchange rate difference arising on settlement/ conversion is recognized in the Statement of Profit and Loss.

2.14. Revenue Recognition

In contracts involving the rendering of services, revenue is measured using the proportionate completion method and are recognized net of applicable tax provided that at the time of performance it is not unreasonable to expect ultimate collection. If at the time of raising of any claim it is unreasonable to expect ultimate collection, revenue recognition is postponed till the time the ultimate collection is made.

Interest is recognized on a time proportionate basis taking into account the amount outstanding and the rate applicable.

Dividend is recognized when the unconditional right to receive payment is established.

2.15. Provisions and Contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect

of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are neither recognized nor disclosed in the financial statements.

2.16. Cash and cash equivalents (for the purpose of Cash Flow Statement)

Cash and cash equivalents in the Balance Sheet and for the purpose of Statement of Cash Flows comprise cash in hand and cash at bank including fixed deposit with original maturity period of three months and short term highly liquid investments with an original maturity of three months or less net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.17. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.18. Earnings per share

Basic earnings per share are computed by dividing the profit for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.19. Impairment

Financial assets carried at amortised cost and FVTOCI

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising

impairment loss allowance based on 12 month ECL. Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- a) All contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- b) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivable based on a detailed analysis of trade receivable on individual basis.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income / expense in the Statement of Profit and Loss.

Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Non-financial assets

The Company assesses at each reporting date whether there is any observable evidence that a non-financial asset or a group of non-financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss. An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment loss was recognised, then the previously recognised impairment loss is reversed through profit or loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

2.20. Leases

a) As a Lessee:

The Company's lease asset classes primarily consist of leases for space provided by holding company. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i) the contract involves the use of an identified asset;
- ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
- iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

For short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

b) As a Lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

2.21. Current / Non-current classification

The companies present assets and liabilities to be classified as either Current or Non-current.

- a) **Assets:** An asset is classified as current when it satisfies any of the following criteria:
1. it is expected to be realized in, or is intended for sale or consumption in, the entity's normal operating cycle;
 2. it is held primarily for the purpose of being traded;
 3. it is expected to be realized within twelve months after the balance sheet date; or
 4. it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the balance sheet date
 5. All other assets are classified as non-current.
- b) **Liabilities:** A liability is classified as current when it satisfies any of the following criteria:
1. it is expected to be settled in, the entity's normal operating cycle;
 2. it is held primarily for the purpose of being traded; it is due to be settled within twelve months after the balance sheet date; or
 3. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the balance sheet date.
 4. All other liabilities are classified as non-current.

2.22. Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.23. Recent accounting pronouncements

- a) Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.
- b) **Amendments to Ind AS 116: Covid-19-Related Rent Concessions.**
- i) The amendments to Ind AS 116 provides a practical expedient to lessees in accounting for rent concessions that are a direct consequence of the Covid-19 pandemic. As a practical expedient, a lessee may elect not to assess whether a covid-19 related rent concession from a lessor is a lease modification. A lessee that makes this election accounts for any change in lease payments resulting from the covid-19 related rent concession the same way it would account for the change under IFRS 16, if the change

were not a lease modification. The practical expedient applies only to rent concessions occurring as a direct consequence of the covid-19 pandemic and only if all of the following conditions are met:

- ii) The change in lease payments results in revised consideration for the lease that is substantially the same as, or less than, the consideration for the lease immediately preceding the change.
- iii) Any reduction in lease payments affects only payments originally due on or before 30 June 2021 (for example, a rent concession would meet this condition if it results in reduced lease payments before 30 June 2021 and increased lease payments that extend beyond 30 June 2021).
- iv) There is no substantive change to other terms and conditions of the lease.

No practical expedient is available for lessors.

The lessees will apply the practical expedient retrospectively, recognising the cumulative effect of initially applying the amendment as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at the beginning of the annual reporting period in which the lessee first applies the amendment.

The amendments are applicable for annual reporting periods beginning on or after the April 1st, 2020. In case, a lessee has not yet approved the financial statements for issue before the issuance of this amendment, then the same may be applied for annual reporting periods beginning on or after the April 1st, 2019. The Company will not be affected by these amendments on the date of transition as there are no rent concessions provided for from the lessor.

c) Appendix C to Ind AS 12 *Uncertainty over Income Tax Treatment*

- i) The appendix addresses the accounting for income taxes when tax treatments involve uncertainty that affects the application of Ind AS 12 *Income Taxes*. It does not apply to taxes or levies outside the scope of Ind AS 12, nor does it specifically include requirements relating to interest and penalties associated with uncertain tax treatments. The Appendix specifically addresses the following:
 - 1. Whether an entity considers uncertain tax treatments separately
 - 2. The assumptions an entity makes about the examination of tax treatments by taxation authorities
 - 3. How an entity determines taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates
 - 4. How an entity considers changes in facts and circumstances
- ii) The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

- iii) The Company applies significant judgement in identifying uncertainties over income tax treatments. Since the Company operates in a complex multinational environment, it assessed whether the Appendix had an impact on its consolidated financial statements.
- iv) Upon adoption of the Appendix C to Ind AS 12, the Company considered whether it has any uncertain tax positions, particularly those relating to transfer pricing. The Company's and the subsidiaries' tax filings in different jurisdictions include deductions related to transfer pricing and the taxation authorities may challenge those tax treatments. The Company determined, based on its tax compliance and transfer pricing study, that it is probable that its tax treatments (including those for the subsidiaries) will be accepted by the taxation authorities. The Appendix did not have an impact on the consolidated financial statements of the Company

2.24. Segment Reporting

The Company is engaged in the business of providing insurance repository services and the operations are carried out within India and hence there is no separate reportable segment as per Indian Accounting Standard 108 on "Operating Segment" prescribed in Companies (Accounting Standards) Rules, 2015.

2.25. Rounding off Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakh as per the requirement of Schedule III, unless otherwise stated.

3. Property, Plant and Equipment, Other Intangible Assets

b) FVTPL		
Investment in mutual funds	2,097.40	2,554.32
Total	2,097.40	2,554.32
ii) Financial liabilities		
Amortised Cost		
Trade payables	4.81	14.87
Other financial liabilities	0.80	6.62
Total	5.61	21.49

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value of the Company's financial assets that are measured at fair value on a recurring basis:

Financial assets	Fair value as at		Fair value hierarchy	Valuation technique(s) and key input(s)
	31.03.2021	31.03.2020		
Investments in mutual funds	2,097.40	2,554.32	Level 1	Quoted bid prices in an active market

There were no transfers between Level 1 and 2 during the years.

The management assessed that fair value of cash and bank balances, fixed deposits, trade receivables, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

The fair value of the quoted bonds and mutual fund are based on price quotations at reporting date. The fair value of unquoted instruments and other financial liabilities, as well as other non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

The fair values of the unquoted equity shares have been estimated using a discounted cash flow model. The valuation requires the management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in the management's estimate of fair value for these unquoted equity investments.

25. Financial risk management

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to support its operations. The Company's principal financial assets include trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's

receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

- **Trade and other receivables**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

The demographics of the customer, including the default risk of the industry in which the customer operates, also has an influence on credit risk assessment.

Following customers accounted for more than 10% of the receivables as at March 31, 2021 and revenue for the year ended March 31, 2021.

Particulars	Rs. In Lakh	10% of the receivable and revenue
Revenue	35.67	Customer 1 – 14.52 Lakh (41%) Customer 2 – 3.91 Lakh (11%)
Receivables	8.85	Customer 1 – 3.28 Lakh (37%) Customer 2 – 1.17 Lakh (13%) Customer 3 – 0.97 Lakh (11%)

Following customers accounted for more than 10% of the receivables as at March 31, 2020 and revenue for the year ended March 31, 2020.

Particulars	Rs. In Lakh	10% of the receivable and revenue
Revenue	44.72	Customer 1 – 24.92 Lakh (56%) Customer 2 – 4.87 Lakh (11%)
Receivables	6.80	Customer 1 – 1.85 Lakh (27%) Customer 2 – 0.83 Lakh (12%) Customer 3 – 0.71 Lakh (10%)

- **Investments**

The Company limits its exposure to credit risk by making investment as per the investment policy. Further investment committee of company review the investment portfolio on monthly basis and recommend or provide suggestion to the management. The Company does not expect any losses from non- performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2021 and March 31, 2020.

* Investment does not include investments in equity instruments of subsidiaries.

The Company manages contractual financial liabilities and contractual financial assets on net basis.

Market risk

The Company's business, financial condition and results of operations are highly dependent upon the regulatory intervention and in particular upon the volume of electronic policies held in the Insurance Repository by the Insurance companies which is presently voluntary in nature and similar factors, as a significant portion of our revenue depends, either directly or indirectly, on trading, listing, clearing and settlement transaction-based fees.

The Company's financial condition and results of operations are also dependent upon the success of the adoption by the insurance companies of electronic policies and other related services, which, in turn, is directly dependent on the personal interest of our customers i.e. policyholders.

- **Foreign Currency risk**

The Company's foreign currency risk arises in respect of foreign currency transactions. The Company's foreign currency expenses is insignificant, while a significant portion of its costs are in Indian rupees.

As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's expenses measured in rupees may decrease. Due to lessor quantum of expenses from foreign currencies, the Company is not much exposed to foreign currency risk.

- **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term / short-term investment with floating interest rates.

Interest rate risk primarily arises from floating rate investment. The Company's investments in floating rate are primarily short-term, which do not expose it to significant interest rate risk.

- **Regulatory risk**

The Company requires a number of regulatory approvals, licenses, registrations and permissions to operate our business, including at a corporate level as well as at the level of each of its components. For example, the Company have licenses from IRDA in relation to insurance policy services, Some of these approvals are required to be renewed from time to time. The Company operations are subject to continued review and the governing regulations that may change. The Company regulatory team constantly monitors the compliance with these rules and regulations.

26. Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital as well as the level of dividends on its equity shares. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The Company is predominantly equity financed which is evident from the capital structure. Further, the Company has always been a net cash company with cash and bank balances along with investment which is predominantly investment in liquid and short term mutual funds being far in excess of financial liabilities.

Number of Employees	1	1

b) Gratuity is administered through Group Gratuity Scheme with Life Insurance Corporation of India. The LIC raises demand for annual contribution for gratuity amount based on its own computation without providing entire details as required by the IND AS 19. Hence the company obtains separate actuarial valuation report as required under IND AS 19 from an independent Actuary. The maximum amount as per these two valuation reports is recognized as liability in the books of accounts. The expected return on plan assets is based on market expectation at the beginning of the year, for the returns over the entire life of the related obligations.

31. Estimation of uncertainties relating to the global health pandemic from COVID-19

The novel coronavirus (COVID-19) pandemic continues to spread rapidly across the globe including India. On March 11, 2020, the COVID-19 outbreak was declared a global pandemic by the World Health Organization. COVID-19 has taken its toll on not just human life, but business and financial markets too. Various governments have introduced a variety of measures to contain the spread of the virus. The Indian government had announced countrywide lockdown.

In this nation-wide lock-down period, though all the services across the nation were suspended (except the specified essential services), some establishments including securities market intermediaries could operate and were exempted from the lock-down.

The management has assessed the potential impact of the COVID-19 on the Company. Based on the current assessment, the management is of the view that impact of COVID 19 on the

operations of the Company and the carrying value of its assets and liabilities is not likely to be material.

32. During the year 2019-20, the Company had elected to exercise the option permitted under section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019. Accordingly, the company has recognised Provision for Income Tax for the year ended 31st March 2020 and re-measured its Deferred Tax Liability basis the rate prescribed in the said section. Accordingly, an amount of Rs. 112.90 Lakh has been charged to statement of profit and loss during the year ended 31st March, 2020.

33. During the year Company has changed its estimate of useful life of some of the fixed assets and following is the impact of the same;

Description of asset	Useful Life as per Company Policy (Years) (Till Dec 31, 2020)	Useful Life as per Company Policy (Years) (W.e.f. Jan 1, 2021)	Reduction in Depreciation
Computer Hardware	2	6	0.60

34. 'The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

35. Figures for the previous year have been regrouped / reclassified and rearranged wherever necessary to correspond with the current year classification / disclosure.
