### **Chairman's Message**

Dear Stakeholders,

It gives me great pleasure to present the Annual Report for the financial year 2024–25 of Centrico Insurance Repository Limited (Formerly known as "CDSL Insurance Repository Limited"). This year marked a pivotal phase in our journey as we focused on consolidation, innovation, and redefining the role of Insurance Repositories within a fast-evolving digital ecosystem.

At CIRL, we have continued to uphold the highest standards of governance, transparency, and ethical responsibility. These core principles have guided our actions and enabled us to respond effectively to emerging regulatory expectations and industry dynamics. Our strong compliance culture and robust operational backbone have empowered us to serve our partners and policyholders with reliability and care.

As we embrace a renewed identity with the transition to "Centrico," our focus remains steadfast: to build new avenues for growth while remaining aligned with our regulatory mandate. We are exploring adjacent digital services and value-added offerings that strengthen our core repository functions and enhance service delivery, operational reach, and stakeholder experience.

I am deeply grateful to our Board of Directors, leadership team, and all employees for their dedication and commitment. I also extend my sincere thanks to our shareholders, the Insurance Regulatory and Development Authority of India (IRDAI), and our partners for their continued trust in CIRL.

We look forward to a future of purpose-driven growth and impactful contributions to India's insurance landscape.

Thank you. Warm regards,

N. Rangachary Chairman Centrico Insurance Repository Limited (CIRL)

### **Managing Director & CEO's Message**

Dear Stakeholders,

This 14<sup>th</sup> year marks yet another important chapter in CIRL's journey, one that reaffirms our unwavering commitment to the digital transformation of India's insurance ecosystem. The Insurance Regulatory and Development Authority of India (IRDAI) continues to steer the sector towards its ambitious vision of "Insurance for All by 2047," and we at Centrico Insurance Repository Limited (Formerly known as "CDSL Insurance Repository Limited") are proud to be actively aligned with this national mission.

During the year, CIRL strengthened its foundations and broadened its horizons. We completed our rebranding journey to "Centrico," marking a shift that reflects not only our digital-first focus but also our growing relevance in a technology-led, insurance-adjacent service landscape. With ongoing regulatory emphasis on policy digitization and improved policyholder access, CIRL continues to be an integral part of this ecosystem, supporting both insurers and insureds with secure, seamless digital infrastructure. Our financial performance remains robust. We closed the financial year with double-digit growth in revenue and profitability, underscoring the trust our partners place in us and the operational efficiencies we continue to achieve. Our electronic insurance account (eIA) base and the volume of electronic insurance policies credited witnessed strong year-on-year cumulative growth. As on March 31, 2025, CIRL had a total of 17.56 lakh eIAs, compared to 14.48 lakh eIAs in the last year, reflecting a cumulative growth of approximately 21%. Similarly, the number of electronic insurance policies credited grew from 13.85 lakh in the previous year to 18.05 lakh by March 31, 2025, representing a cumulative growth of over 30%. We have also successfully signed up the largest Life Insurer of our country and an esteemed stakeholder in CIRL that is LIC, we are keen to see it go live soon.

In parallel, we have undertaken a strategic evaluation of opportunities to diversify our revenue streams and future-proof our business. Potential areas in Reinsurance, ClaimsTech and the InsurTech space have been identified, and plans are underway to offer technology-enabled services in alignment with our regulatory framework and technical capabilities. These initiatives are currently under active development and will be pursued without deviating from our core insurance repository framework.

Looking ahead, CIRL will continue to focus on innovation, regulatory alignment, and service quality. With a strong governance framework, an energized team, and evolving infrastructure, we are confident of creating enduring value for all stakeholders.

I take this opportunity to thank all our valued stakeholders, including our shareholders, Board of Directors, employees, regulators, government agencies, and most importantly, our eIA account holders, for their continued support and contributing in our CIRL's journey. Your trust inspires us as we continue to work together to build a more resilient and efficient insurance ecosystem for empowering every policyholder with secure and seamless digital access.

> Warm regards, Latesh Shetty Managing Director & CEO Centrico Insurance Repository Limited

#### <u>ITEM NO. 3</u>

## To appoint Shri N. Sankaran [DIN: 10813691] as an Independent Director of the Company

Pursuant to the provisions of Sections 149, 150, and 152 of the Companies Act, 2013, and based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors had approved the appointment of Shri N. Sankaran (DIN: 10813691) as an Additional Independent Director (Non-Executive) of the Company with effect from November 11, 2024, and to hold office till the date of the ensuing AGM and also as an Independent Director, for a term of five years, i.e., from November 11, 2024 upto November 10, 2029 (both days inclusive), not liable to retire by rotation, subject to approval by the Members.

Further, pursuant to the provisions of Section 161(1) of the Companies Act, 2013, and Article 150 of the Articles of Association of the Company, Shri N. Sankaran shall hold office up to the date of this AGM and is eligible to be appointed as an Independent Director for a term up to five consecutive years.

The Company has received all statutory disclosures / declarations from Shri N. Sankaran, including:

- (i) Consent in writing to act as director in Form DIR-2, pursuant to Rule 8 of the Appointment Rules;
- (ii) Intimation in Form DIR-8 in terms of the Appointment Rules to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act;
- (iii) A declaration to the effect that he meets the criteria of independence as provided in subsection (6) of Section 149 of the Act;
- (iv) A declaration that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to his registration with the data bank of independent directors maintained by the Indian Institute of Corporate Affairs.

In the opinion of the Board, Shri N. Sankaran fulfils the conditions specified in the Companies Act, 2013, and is thereby eligible for appointment as an Independent Director of the Company and he is independent of the management. Considering his knowledge and experience in Insurance sector, the Board of Directors is of the opinion that it would be in the best interest of the Company to appoint him as an Independent Director for a period of five years with effect from 11<sup>th</sup> November, 2024 till 10<sup>th</sup> November, 2029.

Copy of letter of appointment of Shri N. Sankaran setting out the terms and conditions of appointment is being made available for inspection by the members through electronic mode. Additional information in respect of Shri N. Sankaran, pursuant to the Secretarial Standards on General Meetings (SS-2), along with the Brief profile is given at **Annexure II** to this Notice.

Except for Shri N. Sankaran, being the appointee and/or his relatives, no other Director, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the said Resolution.

The Board recommends Special Resolution set out at Item No. 3 of this Notice for the approval of members.

#### <u>ITEM NO. 4</u>

#### To appoint Shri Rajesh Saraf [DIN: 07236689] as a Director of the Company

Based on recommendations of the Nomination and Remuneration Committee, the Board of Directors of the Company had appointed Shri Rajesh Saraf, as the "Additional Director" of the Company, in terms of Section 161(1) of the Companies Act, 2013 and to hold office only up to the date of this Annual General Meeting.

The Board is of the view that the appointment of Shri Rajesh Saraf on the CIRL Board is desirable and would be beneficial to the Company and hence it recommends the said resolution for approval by the members of the Company.

Additional information in respect of Shri Rajesh Saraf, pursuant to the Secretarial Standards on General Meetings (SS-2), along with the Brief profile is given at **Annexure II** to this Notice.

Except for Shri Rajesh Saraf, being the appointee and/or his relatives, no other Director, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the said Resolution.

The Board recommends the said resolution to be passed as an Ordinary Resolution as set out at Item No. 4 of this Notice for the approval of members.

#### **ITEM NO. 5**

#### To appoint Shri Farokh Patel [DIN: 10939017] as a Director of the Company

Based on recommendations of the Nomination and Remuneration Committee, the Board of Directors of the Company had appointed Shri Farokh Patel, as the "Additional Director" of the Company, in terms of Section 161(1) of the Companies Act, 2013 and to hold office only up to the date of this Annual General Meeting.

The Board is of the view that the appointment of Shri Farokh Patel on the CIRL Board is desirable and would be beneficial to the Company and hence it recommends the said resolution for approval by the members of the Company.

Additional information in respect of Shri Farokh Patel, pursuant to the Secretarial Standards on General Meetings (SS-2), along with the Brief profile is given at **Annexure II** to this Notice.

Except for Shri Farokh Patel, being the appointee and/or his relatives, no other Director, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the said Resolution.

#### **Company Leadership and Future Outlook**

The Company continued to progress under the able leadership of its Board of Directors and the strategic direction of Shri Latesh Shetty, Managing Director & CEO of the Company. CIRL remains committed to its vision of delivering trusted digital infrastructure solutions for the insurance sector, while responsibly exploring new and adjacent opportunities that align with its regulatory framework and core strengths.

During the year under review, several key initiatives and milestones were achieved that reflect the Company's strategic shift and operational maturity:

The Company had formally changed its name from 'CDSL Insurance Repository Limited' to 'Centrico Insurance Repository Limited' w.e.f. October 30, 2024, in accordance with the directives issued by SEBI to the CDSL.

- The Company successfully segregated its IT systems and infrastructure from its erstwhile parent, CDSL. This transition strengthens CIRL's data governance framework, enhances agility, and positions it for independent scale-up.
- CIRL achieved compliance with ISO/IEC 27001:2022 for Information Security Management System (ISMS) – Sustenance & Migration and ISO 22301:2019 for Business Continuity Management System (BCMS) – Sustenance, reinforcing its commitment to data protection, service continuity, and operational resilience.
- CIRL went live on the Bharat Bill Payment System (BBPS) platform during the year, enabling policyholders to make insurance premium payments through a trusted national payments infrastructure.
- CIRL entered into a formal agreement with the Life Insurance Corporation of India (LIC), dated March 20, 2025, strengthening its network of insurance partners and further reinforcing its position in the repository space.
- CIRL started groundwork on digital insurance assignment framework aligned to the Loan Against Insurance Policy (LAIP) model. This platform aims to streamline policyholder consent and digital assignment of insurance policies under the current lending ecosystem.
- CIRL has initiated the launch of a digital subscription and hosting platform designed to streamline the exchange of Reinsurance compliance and operational documents within the insurance ecosystem. This initiative is aligned with the Company's strategy to expand its service offerings beyond traditional repository functions, by addressing persistent industry challenges such as contract certainty, governance oversight, and regulatory compliance. The platform will serve as a structured utility for document exchange, enabling insurers, reinsurers, intermediaries, and other stakeholders to collaborate in real-time through hosting and subscription-based models. It is aimed at reducing redundancy, improving visibility, and ensuring timely access to critical information while meeting regulatory record-keeping and data privacy standards.

The Company is committed to delivering shareholder value while fulfilling its role as a trusted infrastructure institution in the insurance ecosystem. It has consistently strived to enhance its technological capabilities, enable new partnerships, and expand digital infrastructure that fosters innovation within the insurance domain.

# **INDEPENDENT AUDITOR'S REPORT**

To the Members of Centrico Insurance Repository Limited (formerly known as "CDSL Insurance Repository Limited)

# **Report on the Audit of the Financial Statements**

# Opinion

We have audited the accompanying financial statements of Centrico Insurance Repository Limited (formerly known as "CDSL Insurance Repository Limited) ("the Company"), which comprise the Balance sheet as at March 31 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

# **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

# Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Director's Report, if we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance.

# **Responsibility of Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

- 2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, specified under section 133 of the Act;
  - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report
  - (g) In our opinion, the managerial remuneration for the year ended March 31, 2025 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company;
- vi. Based on our examination which included test checks, the Company has used accounting software which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software (refer Note 38 of the financial statements). Further, during the course of our audit , we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of prior year(s) has been preserved by the Company as per the statutory requirements for record retention.

# Annexure 2 referred to in paragraph 2(f) under the heading "Report on other legal and regulatory requirements" of our report of even date

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Centrico Insurance Repository Limited (formerly known as CDSL Insurance Repository Limited) ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

# Meaning of Internal Financial Controls with reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

### 1 Corporate Information

1.1 Centrico Insurance Repository Limited (formerly known as CDSL Insurance Repository Limited) herein after referred to as "the Company" was incorporated with the main objective of up an insurance repository to provide policyholders a facility to keep insurance policies in electronic form and to undertake changes, modifications and revisions in the insurance policy with speed and accuracy in order to bring about efficiency, transparency and cost reduction in issuance and maintenance of insurance policies. The company has its registered office at A-2501, Marathon Futurex, N. M. Joshi Marg, Lower Parel, Mumbai-400013. The company was registered as an insurance repository with Insurance Regulatory and Development Authority of India ("IRDAI") on July 31, 2013.

### 2 Material Accounting Policies:

### 2.1 Basis of preparation

The financial statements as at and for the year ended March 31, 2025 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under section 133 of the Companies Act 2013 (Act), read together with the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter and presented in accordance with requirements of Division II of Schedule III to the Act.

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting year, as explained in the accounting policies below. The company has prepared financial statements on a going concern basis.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

### 2.2 Functional and presentation currency

The financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All financial information presented in Indian rupees has been rounded to the nearest lakh except share and per share data.

### 2.3 Use of Estimates:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the year presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the statement of profit and loss in the year in which the estimates are revised.

### 2.4 Property, Plant & Equipment

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

### 2.5 Depreciation, Amortization, Impairment

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Intangible assets are amortised on a straight line basis over economic useful life of asset and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization expense on intangible assets is recognized in the Statement of Profit and Loss.

### 2.6 Fair Value Measurement

The Company measures certain financial instruments at fair value at each Balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

a) In the principal market for the asset or liability, or
 b)In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of Unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

· Level 1 - Inputs are quoted market prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

· Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

· Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

### 2.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss.

### a) Classification of financial assets

Company has classified and measured Financial Assets into following:

### i) Amortized cost if both of the following conditions are met:

The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
 The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### ii) Fair value through other comprehensive income if both of the following conditions are met:

1. The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and 2. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Assets under this category are measured at fair value and gains and losses arising out of such measurement are carried through other comprehensive income

iii) Fair value through profit or loss if asset is not classified at amortized cost or fair value through other comprehensive income

### b) Classification of Financial Liabilities

Company has classified financial liabilities as subsequently measured at amortized cost. For trade and other payable maturing within one year from the date of Balance Sheet the carrying amount approximate fair value due to short maturity of these instruments.

### 2.8 Employee Benefits

i. Short term Employee Benefits: Performance linked bonus is provided as and when the same is approved by the Management.

ii. Post-Employment Benefits and Other Long term Employee Benefits are treated as follows:

### a) Defined Contribution Plans:

### **Provident Fund**

The Provident fund plan is operated by Regional Provident Fund Commissioner (RPFC) and the contribution thereof is paid/provided for. Contributions to the defined contribution plans are charged to Statement of Profit and Loss for the respective financial year as and when services are rendered by the employees.

### b) Defined Benefits Plans:

### i) Gratuity

Gratuity for employees is covered by Gratuity Scheme with Life Insurance Corporation of India and the contribution thereof is paid/provided for. The Company's liabilities under Payment of Gratuity Act are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the terms of the Government bonds are consistent with the estimated terms of the defined benefit obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss. Re-measurement gains or losses arising from experience adjustments changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of changes in Equity and in the Balance Sheet. Re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods.

### ii) Compensated absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year, are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encased beyond 12 months from the end of the year, are treated as other long term employee benefits. The Company's liability is determined by actuarial valuation (using the Projected Unit Credit method) at the end of each year.

### 2.9 Current tax and deferred tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws. Deferred tax in recognized using balance sheet approach. The deferred tax for timing differences between the book and tax profits for the year is accrued for, using the tax rates and laws those have been substantively enacted as of the balance sheet date. Deferred tax assets arising from differences are recognized to the extent that there is reasonable certainty that these would be realized in future.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Current tax and deferred tax relating to items recognized outside Statement of Profit and Loss is recognized outside Statement of Profit and Loss (either in

other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

### 2.10 Revenue from Contract with Customers

Revenue from contracts with customers is recognised when the services are rendered to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those services.

In case of contracts involving annual maintenance charges, revenue is proportionately recognized over the period of the contract and are recognized net of applicable tax provided that at the time of performance it is not unreasonable to expect ultimate collection. If at the time of raising of any claim it is unreasonable to expect ultimate collection, revenue recognition is postponed till the time the ultimate collection is made.

In case of contracts involving transaction charges and service centre charges, revenue is measured and recognized at the point in time when performance obligation is completed.

A Trade receivable is recognised if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

A contract liability is recognised if a payment is received, or a payment is due (whichever is earlier) from a customer before the Company transfers the related services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers the related services to the customer).

### 2.11 Other Income

Interest being a contractual cashflow, is recognized over a period of time based on the effective interest rate applicable to the underlying financial asset as per Ind AS 109.

### 2.12 Provisions and Contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

Contingent liabilities are recognized when economic outflow is probable and disclosed when economic outflow is possible. Contingent assets are not disclosed but recognized when economic inflow is certain.

### 2.13 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet and for the purpose of Statement of Cash Flows comprise cash in hand and cash at bank including fixed deposit with original maturity period of three months and short term highly liquid investments with an original maturity of three months or less net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

### 2.14 Earnings per share

Basic earnings per share are computed by dividing the profit for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares that have changed the number of equity shares outstanding, without a corresponding change in resources. There are no instruments which have effect of dilution on the EPS.

### 2.15 Impairment

### Financial assets carried at amortised cost

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivable based on a detailed analysis of trade receivable on individual basis.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as expense (or income) in the Statement of Profit and Loss.

### Non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

### 2.16 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

### 2.17 Segment Reporting

The Company is engaged in the business of providing insurance repository services and the operations are carried out within India and hence there is no separate reportable segment as per Indian Accounting Standard 108 on "Operating Segment" prescribed in Companies (Indian Accounting Standards) Rules, 2015.

### 2.18 Rounding off Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakh as per the requirement of Schedule III, unless otherwise stated.

Financial Assets	March 31, 2025	March 31, 2024	Fair Value hierarchy	Valuation technique(s) and key input(s)
Investments in mutual funds (Unquoted)	2,524.27	1,642.64		NAV declared by respective mutual funds

There were no transfers between Level 1, 2 and 3 during the current and previous financial years.

The management assessed that fair value of cash and bank balances, fixed deposits, trade receivables, and trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

### 27 Financial Risk Management

The Company's principal financial liabilities comprise trade payable and other financial liabilities. The trade payables represent unbilled dues (Refer Note No. 14) and the other financial liabilities represents accrued employee benefit expense (Refer Note No. 15). The Company's principal financial assets include trade and other receivables, and cash and short-term deposits that derive directly from its operations.

(Formerly known as CDSL INSURANCE REPOSITORY LIMITED) Notes to the Financial Statements for the year ended March 31, 2025

(Rupees in Lakhs, except for share and per share data, unless otherwise stated)

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk, market risk (Including interest rate risk) and regulatory risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

### Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

### • Trade Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry in which the customer operates, also has an influence on credit risk assessment. An impairment analysis is performed at each reporting date to measure expected credit losses.

Following customers accounted for more than 10% of the trade receivables as at March 31, 2025 and revenue from operations for the year ended March 31, 2025.

Particulars	Reinlache	Customers accounting for more than 10% of trade receivables, revenue from operations

### • Investments

The Company limits its exposure to credit risk by making investment as per the investment policy. The Company invests only in mutual funds securities with very low credit risk and does not have significant concentration of exposure to any specific industry sector.

### Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The management monitors the Company's net liquidity position through forecasts on the basis of expected cash flows.

### Market risk

The Company's business, financial condition and results of operations are highly dependent upon the regulatory intervention and in particular upon the volume of electronic policies held in the Insurance Repository by the Insurance companies which is presently voluntary in nature and similar factors, as a significant portion of the company's revenue depends, either directly or indirectly, on creation and maintenance of electronic policies. The Company's financial condition and results of operations are also dependent upon the success of the adoption by the insurance companies of electronic policies and other related services, which, in turn, is directly dependent on the personal interest of the policyholders.

### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's investment in unquoted mutual funds.

The Company's investments in floating rate are primarily short-term, which do not expose it to significant interest rate risk.

### **Regulatory Risk**

The Company requires a number of regulatory approvals, licenses, registrations and permissions to operate its business, including at a corporate level as well as at the level of each of its components. For example, the Company has license from IRDAI in relation to electronic issuance of insurance policies, Some of these approvals are required to be renewed from time to time. The Company operations are subject to continued review and the governing regulations that may change. The Company's regulatory team constantly monitors compliance with these rules and regulations.

### 28 Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital as well as the level of dividends on its equity shares. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The Company is equity financed which is evident from the capital structure. Further, the Company has always been a net cash company with cash and bank balances along with investment which is predominantly investment in liquid and short term mutual funds being far in excess of financial liabilities.

### Compliance with externally imposed capital requirements:

In accordance with Clause 4 ( c ) of the Revised Guidelines on Insurance Repositories and electronic issuance of Insurance policies (IRDA/INT/GDUINSRE/111/05/ 2015) Dated – 29th May, 2015, the Company has maintained net worth more than Rs. 25 crores at all times during the current year and previous year.

### 32 Employee benefits

### 32.1 Defined benefits plan - Gratuity

Gratuity is administered through Gratuity Scheme with Life Insurance Corporation of India ("LIC"). The LIC raises demand for annual contribution for gratuity amount based on its own computation without providing entire details as required by the Ind AS 19 "Employee Benefits". Hence the Company obtains separate actuarial valuation report as required under Ind AS 19 "Employee Benefits" from an independent Actuary. The expected return on plan assets is based on market expectation at the beginning of the year, for the returns over the entire life of the related obligations.

### Such plan exposes the Company to actuarial risks such as: investment risk, interest rate risk, demographic risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by
	reference to market yields at the end of the reporting period on government bond yields; if the return on
	plan asset is below this rate, it will create a plan deficit. Currently the plan has a relatively balanced investment in equity securities and debt instruments.
Interest rate risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
Demographic risk	This is the risk of variability of results due to unsystematic nature of decrements that include
	mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit
	obligation is not straight forward and depends upon the combination of salary increase, medical cost inflation, discount rate and vesting criteria.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries
	of plan participants. As such, an increase in the salary of the plan participants will increase the plan's
	liability.

### 32.2 Compensated Absences

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulated compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognizes accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognized in the period in which the absences occur. The Company recognizes remeasurement gains or losses immediately in the statement of profit and loss.

During the year ended March 31, 2025 an amount recognized as an expense in respect of compensated leave absences is ₹ 4.68 lakh, (Previous year ended March 31, 2024 is ₹ 1.88 lakh).
