Deferred Tax/Current Tax	(6.32)	(9.62)
Profit/ (Loss) after Tax	(48.71)	(55.55)

During the year under review your company has reported a total income of ₹176.16 Lacs (which includes operational income of ₹12.67 Lacs) which has shown a decrease by ₹97.30 Lacs i.e. about 35% fall over the previous year. This is due to decline in income from investments and interest income. The funds received by the company on account of subscription towards the Equity Capital were deployed profitably as per the Investment policy of the company which has resulted in generation of the aforesaid income. The year has, however, ended with a lower Net Loss of ₹ 48.71 Lacs as against a Net Loss of ₹ 55.55 Lacs in the previous year. It may be observed that the Paid-up Equity Capital and the Net worth of your company as on 31st March, 2016 stands at ₹ 30.00 crore and ₹ 30.97 crore respectively.

Operational Statistics

During the year under review, your company has 2.92 lakhs active e-insurance accounts in the Repository. As on 31st March, 2016, 58,549 e-insurance policies have been credited in the e-insurance accounts and 34,701 policies are pending confirmation for demat. Your company is the first among the 5 Insurance Repositories (IRs) in the business in terms of number of active accounts. Further, your company is now having about 36.26% of the eIA market share. Your company has also improved in holding of policies in the e-insurance accounts from 46,686 policies as on Mar 31, 2015 to 58,549 policies as on Mar 31, 2016 which accounts for about 14.02% market share of the policies held in electronic form.

Tie-up with insurance companies

Your company has signed IR-Insurer agreements with the undermentioned nineteen life insurers and 3 Non-Life insurers:

Life insurance companies :

1. AEGON Life Insurance Company Limited
2. Aviva Life Insurance Company India Limited
3. Bajaj Allianz Life Insurance Company Limited
4. Bharti AXA Life Insurance Company Limited
5. Birla Sun Life Insurance Company Limited
6. Edelweiss Tokio Life Insurance Company Limited
7. Exide Life Insurance Company Limited
8. Future Generali India Life Insurance Company Limited
9. HDFC Standard Life Insurance Company Limited
10. ICICI Prudential Life Insurance Company Limited
11. IDBI Federal Life Insurance Company Limited
12. IndiaFirst Life insurance Company Limited
13. Kotak Mahindra Old Mutual Life Insurance Limited
14. PNB Metlife India Insurance Company Limited
15. Reliance Life Insurance Company Limited
16. Sahara India Life Insurance Company Limited
17. Star Union Dai-ichi Life Insurance Company Limited
18. Tata AIA Life Insurance Company Limited
19. SBI Life Insurance Company Limited

Non-Life insurance companies:

1. Universal Sompo General Insurance Co. Ltd.
2. Raheja QBE General Insurance Co. Ltd.
3. Liberty Videocon General Insurance Co. Ltd.

Your company is in touch with other life and non-life insurance companies and is in the process of signing up agreements with them.

Approved Persons

Under the Guidelines issued by IRDA, insurance repositories are permitted to appoint 'Approved Persons' to act as marketing Agents for generating business, subject to registration with IRDA . Your company has appointed 261 Approved Persons all over the country who are duly registered with IRDAI. With the enhanced efforts of the Approved Persons we expect to increase our market share to a decent level over the years.

Future Outlook

Your company is of the view that the scope for the company in terms of untapped business is tremendous as a large percentage of the policy holders are waiting to be taken on board the electronic system. The total eIAs across the IRs is a measly 5 lakh as compared to the total policy holding population of more than 35 crore physical policy holders. If the capital market experience of investors shifting from physical holdings to electronic holdings is used as a yardstick to measure the growth in the electronic policy segment, your company has a potential to grow exponentially in the next 3-5 years.

However, the growth is slack pending notification of revised IR guidelines by IRDAI. These guidelines are expected to allow insurer to issue electronic policy from Insurer portal itself which would be deterrent to an IR business. The guidelines are expected to give direction on Life, Motor and Health policies to start with.

During an informal meeting with some of the leading insurance companies in the month of March 2016, it was observed that most of the insurance companies were optimistic about the e-policy initiative and felt that it would take time to popularize. They were further optimistic that the revenues could be substantially improved by CIRL by taking up various outsourcing activities from the insurance companies where CDSL IR can leverage on the large DP network of CDSL to provide last mile touch points to the policy holders. Your company has already initiated steps to undertake non core activities as a part of its business plan.

Capital Structure

The Authorised and Paid-up Equity Capital of your Company is ₹ 30-crore with 51% contribution from Central Depository Services (India) Limited and 45.75% contribution from ten insurance companies in Life and Non-Life sectors. The remaining 3.25% is held by a Group-company, CDSL Ventures Ltd. As per the guidelines of IRDA, networth requirement stipulated for setting up insurance repositories is ₹ 25-crore which has been met by your company as on 31st March, 2016.

The Extract of Annual Return pursuant to Section 92 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2013 in the prescribed Form MGT-9 is hereby attached with this Report in ANNEXURE-I and is a part of this Report.

“Annexure B”**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

1. We have audited the internal financial controls over financial reporting of **CDSL Insurance Repository Limited** (“the Company”) as of March 31, 2016 in conjunction with our audit of financial statements of the Company for the year ended March 31, 2016.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial

Contributions to the defined contribution plans are charged to Statement of Profit and Loss for the respective financial year as and when services are rendered by the employees.

(ii) Defined Benefits Plans:

(a) Gratuity : Gratuity for employees is covered by Gratuity Scheme with Life Insurance Corporation of India and the contribution thereof is paid / provided for. Provision for Gratuity is made on the basis of actuarial valuation on Projected Unit Credit Method as at the end of the year.

(b) Long term compensated absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year.

Actuarial gains/losses at the end of the year accrued to the defined benefit plans are taken to Statement of Profit and Loss for the respective financial year.

viii. Income Tax

Provision for current tax is made on the basis of relevant provisions of the Income Tax Act, 1961. The deferred tax for timing differences between the book and tax profits for the year is accrued for, using the tax rates and laws that have been substantively enacted as of the balance sheet date. Deferred tax assets arising from

unabsorbed carried forward losses and depreciation are recognised to the extent there is virtual certainty that these would be realised in future.

Minimum Alternate Tax (MAT) is recognized at each Balance Sheet date and carried as assets only to the extent there is convincing evidence that the Company will pay normal Income tax during the subsequent period specified in the Income Tax Act 1961.

ix. Provisions and Contingent Liabilities

Provisions are recognised for liabilities that can be measured only by using a substantial degree of estimation, if

- a) The Company has a present obligation as a result of past event,
- b) A probable outflow of resources is expected to settle the obligation and
- c) The amount of the obligation can be reliably estimated.

Where some or all of the expenditure required to settle a provision is expected to be reimbursed by another party, such reimbursement is recognised to the extent of provision or contingent liability as the case may be, only when it is virtually certain that the reimbursement will be received.

Contingent Liability is disclosed in the case of

- a) A present obligation arising from a past event, when it is not possible that an outflow of resources will be required to settle the obligation.
- b) A possible obligation, unless the probability of outflow of resources is remote.
