AADHAAR SEEDING (LINKAGE OF PAN WITH AADHAAR)

This is in continuation to our Communique no. CDSL/OPS/DP/SYSTMI/2023/380 dated June 30, 2023, regarding Aadhaar Seeding (Linkage of PAN with Aadhaar), wherein we have informed that accounts which are not compliant with Aadhaar seeding shall be frozen for both – debit and credit with effect from July 08, 2023 (Saturday).

In view of the above, DPs are advised to note that if the demat account in frozen status with PAN verification flag “0 – PAN not Verified”, “2 – PAN Verification reversed” and “5 – PAN Verified and Aadhaar linked to be checked” under status code “21 – Individual” with the fourth letter of the PAN as “P” becomes compliant with Aadhaar seeding, then DP can modify the PAN verification flag as “6 - PAN verified and Aadhaar linked confirmed by DP” in the demat account of the respective BO. Such compliant account can be immediately unfrozen from freeze and unfreeze module in CDSL system. Details of the demat account unfrozen by the DP and correspondence documents of the BO with the DP shall be maintained for record and compliance.

DPs are also advised to take note of the same and ensure compliance.
