MIGRATION OF ACCOUNT OF CHOICE USERS TO NEW DRIVERS

CDSL is pleased to inform the DPs that for managing the securities 'anytime-anywhere' in an efficient, convenient and secure manner, additional features as detailed below have been made available to the easiest Account of Choice users.

1. Easiest user will be allowed to map the Digital Signature Certificate (DSC) i.e., DSC Token from Users easiest login.
2. Option will be made available to the user in DP easiest login and login of Account of Choice users). Wherein User will be required to enter the DSC token details. Other requirements as regards the documentations remains the same and needs to be strictly adhered. Once the User enters the details (maker entry) the request will be forwarded to CDSL for verifying the DSC details and for carrying out the Checker/verification. After the Checker is carried out by the CDSL. User can use the token for execution of the various transactions i.e., Pledge, Unpledge, Transactions etc., as presently being done by the easiest User.
3. Current e-signer facility will be functional and will be in parallel mode for only few days. Hence easiest User need to install the new setup.

DPs are advised to refer to the link: <https://www.cdslindia.com/Footer/help.html> to download procedure and exe .

Further, DPs may note to inform their CM's & BO's (Account of Choice users) to ensure complete migration.
